PIECE WORKERS

In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

EMPLOYMENT OF JUVENILE WORKERS ON PIECE WORK

PARAGRAPH 8.

An employer shall, in any case where a learner or other juvenile worker is employed on piece work during the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has received, in respect of his employment on piece work in each week during that period, at least the same amount of money as such worker would have been entitled to receive if employed on time work.

An employer shall, in any case where any such worker is so employed at any time subsequent to the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of his employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate piece work basis time rate.
