(a) 2003 c.43 (“the 2003 Act”). By section 167(1), the powers are exercisable in relation to Scotland by the Scottish Ministers. See section 168 of the 2003 Act for the definition of prescribed.

Amount of NHS charges

2.—(1) Subject to the following paragraphs of this regulation and regulation 3, a certificate shall, for the purpose of section 153(2), specify—

(4) The amount which a certificate may specify under paragraph (1)(a) or (1)(b), or both, must not exceed £37,100 (“the maximum”).

(5) Where—

- (a) amounts fall to be specified under both paragraph (1)(a) and paragraph (1)(b); and
- (b) the aggregate of those amounts would exceed the maximum,

the amount to be specified under paragraph (1)(b) is to be reduced by the difference between the maximum and the aggregate of those amounts.

Amount of NHS charges: further provision

3.—(1) This paragraph applies where a person liable to pay relevant NHS charges^(c)—

- (a) makes a compensation payment in the form of a lump sum (an “earlier payment”); and

(2) Where paragraph (1) applies, the amount, for the purpose of section 153(2), to be specified in the certificate in respect of the later payment shall be the amount determined under regulation 2 reduced by the amount paid in satisfaction of any liability to pay relevant NHS charges in connection with the earlier payment.

(3) Where the person to whom the certificate is to be issued pursuant to paragraph (2) is a person whose liability to pay the relevant NHS charges has been determined or re-determined under regulation 5(4), the certificate shall, in addition to the amounts to be specified under the foregoing provisions of this regulation, specify the amount of relevant NHS charges that the person is liable to pay in accordance with that determination or re-determination.

Treatment to be taken into account

4.—(1) A certificate issued under section 151(2) shall only take into account treatment received, or ambulance services provided, before the date the certificate is issued.

 - (b) the Scottish Ministers receive sufficient evidence to enable them to determine how that liability is to be apportioned between the compensators.
- (4) Where paragraph (2) or (3) applies—
