Fraserburgh Harbour Revision Order 1999

Made - - - - *31st August 1999*

Coming into force - - *1st September 1999*

Whereas the Fraserburgh Harbour Commissioners have applied for a harbour revision order under section 14 of the Harbours Act 1964⁽¹⁾

And whereas it appears to the Scottish Ministers⁽²⁾ in pursuance of paragraph A2 of Schedule 3 to the said Act⁽³⁾ that the application is made in relation to a project which falls within Annex II to Council Directive 85/337/EEC⁽⁴⁾ on the assessment of the effects of certain public and private projects on the environment and whose characteristics require that it should be made subject to an environmental assessment;

And whereas the Scottish Ministers have directed the applicant to supply them with the information referred to in Annex III to the Directive in accordance with that paragraph;

And whereas the Scottish Ministers have complied with the requirements of paragraph 3A of Schedule 3 to the said Act;

Now, therefore, the Scottish Ministers, in exercise of the powers conferred on them by section 14 of the said Act⁽⁵⁾ and of all other powers enabling them in that behalf and being satisfied that the making of this Order is desirable in the interests of securing the improvement, maintenance or management of the harbour in an efficient and economical manner, hereby make the following Order:

PART I

(9) S.I.1995/1527.
(10) 1998 c. 46.

PART II

WORKS

Power to carry out works

3.—(1) Subject to the provisions of this Order, the Commissioners may, in the situations and lines and within the limits of deviation and according to the levels shown on the deposited plan and sections, carry out and maintain the following improvement works in the parish of Fraserburgh, Aberdeenshire, together with all necessary and proper works and conveniences connected therewith or incidental thereto:—

Work No. 1 A deepening by means of excavation to a depth of 7 metres below the level of low water of that part of Faithlie Basin shown hatched black on the deposited plan.

Work No. 2 A three-sided pier of open-work construction incorporating a shiplift commencing at Point A 50 metres north of the east side of the cut in the South Breakwater for the existing slipway, thence extending south to Point B, thence extending east to Point C, thence extending north to Point D and there terminating.

Work No. 3 A reclamation and infilling of the existing slipway at Faithlie Basin and a levelling of the adjacent land, construction of ship repair bays, a ship traverser bay and boundary walls and construction of a retaining wall in the South Breakwater, all in the area shown cross-hatched black on the deposited plan.

(2) The Commissioners may, within the limits of deviation, renew and alter temporarily or permanently the works.

Power to deviate

4. Subject to the provisions of this Order, in carrying out the works the Commissioners may deviate laterally from the lines or situations thereof as shown on the deposited plan to any extent not exceeding the limits of deviation shown on the said plan and may deviate vertically from the levels of the works as shown on the deposited sections to any extent not exceeding 1 metre upwards and to such extent downwards as may be found necessary or convenient.

Subsidiary works

5. Subject to the provisions of this Order, the Commissioners may within the limits of deviation from time to time erect, construct, maintain and operate, whether temporarily or permanently, all such subsidiary or incidental works and conveniences as may be necessary or expedient for the purposes of or in connection with the construction, maintenance and use of the works.

Obstructing Works

6. Any person who intentionally obstructs any person acting under the authority of the Commissioners in setting out the lines of the works, or who moves or removes any pole, stake, station point or bench mark established for the purpose of such setting out shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

Works to be deemed part of harbour undertaking

7. The works shall be deemed for all purposes to be part of the harbour undertaking and all byelaws, rules and regulations of the Commissioners for the time being in force relating to the harbour undertaking shall apply to the works and may be enforced by the Commissioners accordingly.

Tidal works not to be executed without approval of Scottish Ministers.

8.—(1) A tidal work shall not be demolished, constructed, renewed or altered except in accordance with plans and sections approved by the Scottish Ministers and subject to any conditions and restrictions imposed by the Scottish Ministers before the work is begun or while work is still in progress.

(2) If a tidal work is demolished, constructed, renewed or altered in contravention of this section or of any condition or restriction imposed under this article—

- (a) the Scottish Ministers may by notice in writing require the Commissioners to remove the tidal work or any part thereof and restore the site thereof to its former condition; and if on the expiration of 30 days from the date when the notice is served upon the Commissioners they have failed to comply with the requirements of the notice, the Scottish Ministers may execute the works specified in the notice; or
- (b) if it appears to the Scottish Ministers urgently necessary to do so, they may themselves remove the tidal work or part of it and restore the site to its former condition,

and any expenditure incurred by the Scottish Ministers in so doing shall be recoverable from the Commissioners as a debt.

Provision against danger to navigation

9.—(1) In case of injury to or destruction or decay of a tidal work or any part thereof, the Commissioners shall forthwith notify the Commissioners of Northern Lighthouses and shall lay down such buoys, exhibit such lights and take such other steps for preventing danger to navigation as the Commissioners of Northern Lighthouses shall from time to time direct.

(2) If the Commissioners fail to comply in any respect with the provisions of this article, they shall be guilty of an offence and liable on summary conviction to a fine not exceeding the statutory maximum and on conviction on indictment to a fine.

Abatement of works abandoned or decayed

10.—(1) Where a tidal work is abandoned, or suffered to fall into decay, the Scottish Ministers may by notice in writing require the Commissioners either to repair and restore the work or any part thereof, or to remove the work and restore the site thereof to its former condition, to such an extent and within such limits as the Scottish Ministers think proper.

(2) Where a work authorised by this Order and consisting partly of a tidal work and partly of works on or over land above the level of high water is abandoned or suffered to fall into decay and that part of the work on or over land above the level of high water is in such condition as to interfere or to cause reasonable apprehension that it may interfere with the right of navigation or other public rights over the foreshore, the Scottish Ministers may include that part of the work or any portion thereof, in any notice under this article.

(3) If, on the expiration of 30 days from the date when a notice under this article is served upon the Commissioners, they have failed to comply with the requirements of the notice, the Scottish Ministers may execute the works specified in the notice and any expenditure incurred by them in so doing shall be recoverable from the Commissioners as a debt.

Lights on works during construction

11.—(1) The Commissioners shall at or near a tidal work during the whole time of the demolition, construction, renewal or alteration thereof exhibit, every night from sunset to sunrise, such lights, if any, and take such other steps for the prevention of danger to navigation as the Scottish Ministers shall from time to time direct.

(2) If the Commissioners fail to comply in any respect with a direction given under this article they shall be guilty of an offence and liable on summary conviction to a fine not exceeding the statutory maximum and on conviction on indictment to a fine.

Permanent lights on works

12.—(1) After the completion of a tidal work the Commissioners shall at the outer extremity thereof every night from sunset to sunrise exhibit such lights, if any, and take such other steps for the prevention of danger to navigation as the Commissioners of Northern Lighthouses shall from time to time direct.

(2) If the Commissioners fail to comply in any respect with a direction given under this article they shall be guilty of an offence and liable on summary conviction to a fine not exceeding the statutory maximum and on conviction on indictment to a fine.

PART III

TEMPORARY CLOSURE OF HARBOUR

Temporary closure of area of works

13.—(1) For the purpose of carry out the works the Commissioners may notwithstanding anything in any enactment—

- (a) temporarily close the area of works to vessels by means of one or more coffer dams at such places within the harbour as the Commissioners shall think fit;
- (b) dry out the area of works by pumping or otherwise and carry out all such measures and construct or install all such valves, sluices, gates, pipes, channels, aqueducts, pumps and similar works of a temporary nature as may be necessary to convey water entering the area of works into tidal waters.

(2) Notwithstanding anything contained in this Order, the area of works shall not be closed to vessels for a period continuous or discontinuous longer than one year.

Removal of vessels from area of works

14.—(1) Before exercising the power conferred on them by article 13 (temporary closure of area of works) of this Order temporarily to close the area of works to vessels the Commissioners shall—

- (a) publish a notice of their intention to do so in Lloyd's List and once in each of two successive weeks in a local newspaper published or circulating in Fraserburgh, with an interval between the dates of publication of not less than six clear days;
- (b) display notice thereof in a conspicuous position in the harbour; and
- (c) give notice thereof in writing to the Scottish Ministers.

(2) Each of the notices shall:—

- (a) state that the Commissioners intend temporarily to close the area of works to vessels; and
- (b) specify a date, which shall be a date not earlier than one month after the date of the latest of the three publications, by which all vessels must be removed from the area of works.

(3) If the master of any vessel within the area of works does not remove the same before the date specified in accordance with paragraph 2(b) above, the harbourmaster may cause that vessel to be removed from the area of works and moored or laid in any other place where it may without injury be moored or laid.

(4) The Commissioners may recover as a debt from the owner of any vessel removed as aforesaid all expenses incurred by them in respect of its removal.

(5) The powers conferred on the Commissioners and the harbourmaster by this article shall be in addition to and without prejudice to the powers as to the removal of vessels conferred upon them by sections 64 and 65 of the Harbours, Docks and Piers Clauses Act 1847⁽¹¹⁾.

As to vessels entering area of works after date of closure

15. If any vessel enters the area of works after the date specified in accordance with paragraph (2) (b) of article 14 (removal of vessels from area of works) of this Order, and during the period of temporary closure, the harbourmaster may direct the master of such vessel forthwith to remove the vessel from the area of works, and if the master of such vessel does not forthwith comply with such directions the provisions of paragraphs (3) to (5) inclusive of the said article 14 shall apply to and in respect of such vessel as if such vessel had been within the area of works before the said date.

PART IV

MISCELLANEOUS

Increase of borrowing powers

16. As from the commencement of this Order, article 17 of the Fraserburgh Harbour Revision Order 1995⁽¹²⁾ shall be read and have effect as if for the sum of £5,000,000 there were substituted the sum of £6,000,000.

Repeal

17. Subsection (2) of section 24 of the Order scheduled to the Fraserburgh Harbour Order Confirmation Act 1985⁽¹³⁾ is repealed.

Crown rights

18.—(1) Nothing in this Order shall affect prejudicially any estate, right, power, privilege, authority or exemption of the Crown, and in particular without prejudice to the generality of the foregoing nothing herein contained shall authorise the Commissioners or any licensee of the Commissioners to take, use, enter upon or in any manner interfere with any land or interest in land or any rights of whatsoever description (including any portion of the shore or bed of the sea or of any river, channel, creek, bay or estuary)—

- (a) belonging to Her Majesty in right of Her Crown and under the management of the Crown Estate Commissioners without the consent in writing of those Commissioners; or
- (b) belonging to a government department or held in trust for Her Majesty for the purposes of a government department without the consent in writing of that government department.

(2) A consent under paragraph (1) above may be given unconditionally or subject to terms and conditions.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order empowers the Fraserburgh Harbour Commissioners:—

- (1) to deepen part of Faithlie Basin in Fraserburgh Harbour;
- (2) to construct a new pier of open-work construction incorporating a shiplift in Faithlie Basin;
- (3) to reclaim and fill in the existing slipway in Faithlie Basin, level adjacent land, construct ship repair bays, a ship traverser bay and boundary walls and construct a retaining wall in the South Breakwater.

The Order authorises the Commissioners to close temporarily the area of the proposed works for the purpose of carrying out the works.

The Order increases the Commissioners' borrowing limit from £5,000,000 to £6,000,000.

In relation to the election of Commissioners, the Order repeals a restriction on the number of categories of Commissioner in which a person may vote.
