2000 No. 216

**The Animals and Animal Products (Import
and Export) (Scotland) Regulations 2000**

PART II

INTRA-COMMUNITY TRADE

Inspection and checking at destination

10.—(1) A veterinary inspector shall have power to inspect, at their place of destination, all animals and animal products imported into Scotland from another member State, so as to ensure that the requirements (including requirements on documentation) of the relevant provisions of the Directives or other measures listed in Part I of Schedule 3 and any additional requirements specified in Part I of Schedule 3 have been complied with.

(2) An inspector shall have power to inspect anywhere and at any time all animals and animal products imported from another member State, as well as all accompanying documents, if he has information leading him to suspect an infringement of the Directives or other measures listed in Part I of Schedule 3 and any additional requirements specified in Part I of Schedule 3.
