## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend regulation 12 (“regulation 12”) of the Control of Pollution (Silage, Slurry and Agricultural Fuel Oil) (Scotland) Regulations 2001 ([S.S.I. 2001/206](#)). Paragraph (2) of regulation 12 contains an incorrect numerical reference to regulation 9 (appeals against notices) of the Control of Pollution (Silage, Slurry and Agricultural Fuel Oil) (Scotland) Regulations 1991 ([S.I.1991/346](#)) (“the 1991 Regulations”). This is corrected by regulation 2(2)(a) of these Regulations which substitutes the correct reference (to regulation 8 of the 1991 Regulations). Paragraph 12(3) of the Schedule to the Environment Act 1995 (Consequential and Transitional Provisions) (Scotland) Regulations 1996 ([S.I. 1996/973](#)) changed the reference to “the river purification authority” in regulation 8 of the 1991 Regulations to a reference to “SEPA”. Regulation 2(2)(b) makes it clear that that provision shall continue to have effect for the purposes of paragraph (2) of Regulation 12.
