**2001 No. 437**

**The National Health Service (Superannuation Scheme,  
Injury Benefits and Compensation for Premature  
Retirement) (Scotland) Amendment Regulations 2001**

**Amendment of the Compensation Regulations**

**19.** In regulation 5 of the Compensation Regulations (crediting of additional period of service) after paragraph (13) there shall be inserted—

“(14) For the purposes of paragraph (7)(a) above, where any part of the pensionable service of an entitled officer to whom there is payable a pension under regulation E3 of the National Health Service Superannuation Scheme (Scotland) Regulations 1995 is service in part-time employment, the compensation payable in respect of the service credited under this Regulation shall not exceed the relevant amount.

(15) In this regulation—

“the relevant amount” means the amount which bears the same proportion to the amount which would have been payable had the service not been part-time as the whole-time equivalent bears to comparable whole-time employment; and

“the whole-time equivalent” has the same meaning as in regulation C4 of the National Health Service Superannuation Scheme (Scotland) Regulations 1995.”.
