Part IV

Specified Risk Material

*Prohibitions on collection, transport, rendering,
incineration etc. and storage of specified risk material*

Transport of specified risk material

- 52.**—(1) No person shall transport specified risk material unless—
- (a) the specified risk material is in a container marked with the words “specified risk material”, the place of destination and the name of the person to whom it is being sent; and
 - (b) that person provides a written statement to the person to whom it is sent of the premises from which the specified risk material was collected for delivery.
- (2) No person shall transport specified risk material unless it is—
- (a) transported in a container which—
 - (i) is not being used at the same time to transport any material other than specified risk material; and
 - (ii) is impervious; and
 - (b) kept covered at all times while in the container except when necessary for loading into the container or examination by an inspector.
- (3) Any person transporting specified risk material shall ensure that the container in which the specified risk material is transported is thoroughly washed and disinfected before being used for any other purpose.
