**The Food (Control of Irradiation)
Amendment (Scotland) Regulations 2002**

Amendments to the Food (Control of Irradiation) Regulations 1990

7. In Schedule 3 (requirements for storage and transportation), for paragraph 2 there shall be substituted—

“2. For the purposes of this Schedule the requisite documentation, in relation to any food subjected to ionising radiation in Scotland, is the original or a copy of the documentation required by virtue of paragraph 15(3) of Part II of Schedule 1 above to accompany that food at the time of consignment by the holder of an irradiation licence.”.
