## SCHEDULE 5

Regulation 49

### CALCULATION OF CHARGES FOR VETERINARY CHECKS

#### PART I

##### COSTS COVERED BY THE CHARGES

1. For the purposes of this Schedule “the actual cost” of the veterinary checks carried out on a consignment at a border inspection post means the aggregate of—

(1) the proportion properly attributable to those veterinary checks of the cost of any items listed in paragraph 2 below which relate partly to those veterinary checks; and

(2) the full cost of any items listed in paragraph 2 which relate wholly to those veterinary checks.

2. The items referred to in paragraph 1 above are—

(1) the salaries and fees, together with overtime payments and employers' national insurance and superannuation contributions, of all staff directly involved in carrying out veterinary checks, and of all staff engaged in the management or administration of veterinary checks, at the border inspection post;

(2) recruiting and training the staff referred to in item 1;

(3) travel and related incidental expenses incurred in carrying out the veterinary checks, except where incurred by a person attending that person's normal place of work;

(4) office accommodation, equipment and services for staff involved in carrying out veterinary checks at the border inspection post, including depreciation of office furniture and equipment and the cost of information technology, stationery and forms;

(5) protective clothing and equipment used in carrying out the veterinary check;

(6) laundering the protective clothing referred to in item 5;

(7) sampling, and testing and analysing samples (except sampling and testing for the presence of salmonella);

(8) routine invoicing and collection of charges for veterinary checks at the border inspection posts; and

(9) providing payroll and personnel services in connection with the employment of staff carrying out veterinary checks at the border inspection post.

## PART II
