

SCHEDULE 5

INFORMATION TO BE INCLUDED IN AN ASSESSMENT REPORT

6. A conclusion which addresses the proposed use of the product, risk management and the proposed monitoring plan, and states whether the relevant genetically modified organisms should be placed on the market on its own or in a product and under which conditions, or not placed on the market for reasons which are specified, or whether the views of other competent authorities and the Commission are sought for on specified aspects of the environmental risk assessment carried out in accordance with regulation 6. Where it is concluded that the genetically modified organisms should not be placed on the market the Scottish Ministers shall give reasons for their conclusion.
