PART E SUITABILITY OF PERSON NOMINATED TO BE AUTHORISED UNDER AN INTERVENTION ORDER

(Complete in all cases where under section 53(5)(b) a person is nominated in the application to take action or make a decision, including those where the person nominated is an officer of the local authority.)

Name of nominee:

Relationship to adult:

Sections 59(3) & (4) of the Act require the sheriff to consider certain factors before appointing an individual as a guardian; These provide useful guidance as to what information should be contained in the report on the suitability of a person named in an application for an intervention order. Please therefore comment on the suitability of the person nominated under the headings in Part E where possible. Refer as appropriate to discussion with him or her.

My opinion as to the suitability of the person nominated is as follows:-

1 Awareness of the adult's circumstances and conditions and of the needs arising from such circumstances and conditions.

2 Awareness of the functions of a person authorised under an intervention order.

3 Accessibility to adult and primary carer.

4 Ability to carry out the functions of a person authorised under an intervention order with power over property and/or financial powers

5 Any likely conflict of interest between the person nominated and the adult. (NB: Being a close relative or living in the same household as the adult does *not* on its own count as conflict of interest.)

6 Any undue concentration of power which is likely to arise in the person nominated over the adult. (NB: Being a close relative or living in the same household as the adult does *not* on its own count as undue concentration of power.)

7 Any adverse effects which the appointment of the person nominated would have on the interests of the adult.
