

SCHEDULE 2

Article 6(1)(c)(i)

SPECIFIED COURSES

Courses at first degree and diploma level

1. A course at undergraduate level leading to—
 - (a) a degree, certificate, diploma or licentiateship of a university or theological college; or
 - (b) a degree, certificate or diploma granted by a designated institution, a central institution or any other institution for the provision of any form of further education.

Courses in further education

2. A course in further education leading to an award of the Scottish Certificate of Education, the General Certificate of Education, the General Certificate of Secondary Education or the International Baccalaureate.

3. A course in further education leading to the National Certificate, the Higher National Certificate or Higher National Diploma of the Scottish Qualifications Authority, or a Scottish Vocational Qualification, or any other course in further education leading to a comparable award.

4. A course in further education required by an educational establishment to be undertaken prior to any other course mentioned in this Schedule being undertaken.

Teacher training and other courses

5. A course at undergraduate or postgraduate level for the initial training of teachers, social workers or youth and community workers.

Vocational courses at postgraduate level

6. A course at postgraduate level leading to a certificate or diploma in professional studies or to any other comparable award.

Courses at higher degree level

7. A course leading to the award of the degree of Doctor of Philosophy or a Master's degree or to any other comparable award.
