

## SCHEDULE 2

### REQUIREMENTS AS TO NOTICES TO BE DISPLAYED IN A ROAD TO WHICH THE CHARGING SCHEME RELATES

#### PART II

##### OTHER REQUIREMENTS AS TO THE DISPLAY OF THE NOTICE

1. For a road to which the charging scheme relates, the notice shall be displayed in a prominent position at or near each end of the road and in such other positions as the charging authority think necessary for securing that adequate information about the subject matter of the notice is given to persons using the road.

2. The notice shall first be so displayed at the same time as the corresponding notice is first published in the local newspaper in accordance with regulation 4(a) and the charging authority shall take all reasonable steps to ensure that it remains in a legible condition and continues to be so displayed until the end of the objection period.
