**2003 No. 411**

**The Animal By-Products (Scotland) Regulations 2003**

**PART 5**

**Placing animal by-products and processed products on the market**

**Placing on the market of processed animal protein and other processed products that could be used as feed material**

**22.** Any person who places on the market processed animal protein or other processed products that could be used as feed material which do not meet the requirements of Article 19 of the Community Regulation shall be guilty of an offence.

**Placing on the market of petfood, dogchews and technical products**

**23.—(1)** Any person who places on the market petfood, dogchews or technical products (other than fat derivatives produced from Category 2 material) or those animal by-products referred to in Annex VIII to the Community Regulation, which do not meet the requirements of Article 20(1) of that Regulation shall be guilty of an offence.

**(2)** Any person who places on the market fat derivatives produced from category 2 material which do not meet the requirements of Article 20(3) of the Community Regulation shall be guilty of an offence.

**Placing on the market of compost or digestion residues for use on agricultural land**

**24.** Any person who places on the market compost or digestion residues for use on agricultural land shall ensure that it is labelled or accompanied by documentation in such a way that the attention of the recipient is drawn to the requirements of regulation 11 (provisions relating to pasture land) and any person who fails to do so shall be guilty of an offence.
