2003 No. 411

The Animal By-Products (Scotland) Regulations 2003

PART 5

Placing animal by-products and processed products on the market

Placing on the market of processed animal protein and other processed products that could be used as feed material

22. Any person who places on the market processed animal protein or other processed products that could be used as feed material which do not meet the requirements of Article 19 of the Community Regulation shall be guilty of an offence.
