The Classical Swine Fever (Scotland) Order 2003

Further measures where a notice has been served under article 5

6. Where a notice has been served under article 5, a veterinary inspector may, by further notice served on the occupier of the holding, slaughterhouse, knacker's yard or other place, or on the person who appears to be in charge of a means of transport—

- (a) prohibit the movement of any other species of animal on to or off those premises or means of transport;
- (b) require that occupier or person to take all reasonable measures to destroy rodents and insects on those premises or means of transport; or
- (c) require that occupier or person to cleanse and disinfect those premises or any vehicle or other thing on those premises, or any means of transport, at the expense of that occupier or person or at the expense of the Scottish Ministers in such a manner as may be specified in the notice, and within such time as may be so specified.
