MEASURES WHICH APPLY IN PROTECTION AND SURVEILLANCE ZONES

PART II

Measures which apply in a surveillance zone

Movement of pigs

16. Where an infected area has been established following confirmation of the disease on a holding, until that holding has been cleansed and disinfected no person shall move any pig off any other holding in the surveillance zone forming part of that infected area for at least 21 days. Thereafter no person shall move any pig off any other holding unless licensed to do so by a veterinary inspector or an inspector acting under the direction of a veterinary inspector.
