

## SCHEDULE 2

### MEASURES WHICH APPLY IN AN INFECTED AREA ESTABLISHED UNDER ARTICLE 14

#### PART II

##### Measures which apply in the infected area

###### **Export of pigs, semen, ova or embryos from the infected area**

7. No person shall move any pig, or any pig semen, or the ovum or embryo of a pig from the infected area for the purpose of export to another Member State.

###### **Notification of feral pig carcasses**

8. Any person who shoots, or finds the carcass of, a feral pig in an infected area shall inform the Divisional Veterinary Manager as soon as reasonably practicable and in any event within 24 hours. Any person who has shot such a pig shall keep its carcass for at least 24 hours and make it available to the Divisional Veterinary Manager for any sampling or testing which the Divisional Veterinary Manager may consider appropriate.
