Applications

4.—(1) The Scottish Ministers may from time to time invite applications and where they do so the following provisions of this paragraph shall apply.

(2) Without prejudice to the other provisions of this Scheme, an application must be lodged with the Scottish Ministers on or before the appropriate closing date in order to be considered for approval.

(3) In this Scheme “the appropriate closing date” means such date as the Scottish Ministers may from time to time determine.

(4) The Scottish Ministers shall publish in such manner as they consider appropriate a notice inviting applications and specifying the appropriate closing date and in that notice may intimate such other matters as they consider it is appropriate for them to have regard to, for the purposes of paragraphs 5(1)(e), (2) or (3).

(5) An application made in pursuance of a notice published under sub-paragraph (4) shall be in writing, shall be made in such form and manner, shall include such information and undertakings and shall be delivered to such address as the Scottish Ministers may specify in the notice or from time to time require.

(6) An applicant shall furnish all such further information relating to the application as the Scottish Ministers may specify in the notice or from time to time require.

(7) An application shall be in respect of one vessel only and shall include a bid stating the amount of grant for which the applicant offers to—

- (a) decommission the vessel;
- (b) surrender all licences and claims to licences in respect of the vessel in accordance with the requirements of paragraph 9(1)(a); and
- (c) remove the vessel from the register.

(8) No more than one application in pursuance of a notice published under sub paragraph (4) may be made in respect of any vessel.

(9) Where an application in respect of a vessel has been approved by the Scottish Ministers under paragraph 6, no further application may be made in respect of that vessel.

Consideration of applications

5.—(1) As soon as reasonably practicable after the appropriate closing date the Scottish Ministers shall—

- (a) identify those applications made in pursuance of the notice published under paragraph 4(4) which satisfy the foregoing provisions of this Scheme;

(2) The Scottish Ministers may additionally consider any application made in respect of a vessel which is less than 10 years old at the date of application but the amount of the bid shall be no more than that provided for a 10 year old vessel under Article 7 of Council Regulation 2792/99 as read with Council Regulation 2370/02, increased by 1.5% per year under 10 years.

(3) The Scottish Ministers may—

- (a) select an application for approval according to the rank in which it has been placed under sub-paragraph (1), as read with sub-paragraph (2), provided that approval of that

application, together with any application higher in rank, will not result in the total of the bids relating to those applications exceeding the relevant amount; and

- (b) where selection of an application would have that result, place the application on a reserve list in the same rank.

(4) In exercising their powers under sub-paragraphs (1)(e), (2) or (3) the Scottish Ministers shall have regard to—

- (a) the benefit likely to be derived from, and value for money represented by, the bid;
- (b) the extent to which approval of the application would contribute towards fulfilment of the obligations of the United Kingdom deriving from Annex XVII of Council Regulation (EC) 2341/2002⁽¹⁴⁾; and
- (c) such other matters as they have intimated in the notice inviting applications published pursuant to paragraph 4(4).

(5) The Scottish Ministers shall select for approval the highest ranked application on the reserve list established in accordance with sub-paragraph (3)(b) where—

- (a) any amount remaining available after deduction from the relevant amount of the total of the bids for which approval has been granted; and
- (b) any amount of grant unclaimed by the appropriate decommissioning date or thereafter withheld or recovered under this Scheme in relation to any approval,

together, are sufficient for the approval of that application without exceeding the relevant amount.

(6) This paragraph applies to any application which the Commission decide is incompatible with the common market having regard to Article 87 of the EC Treaty.

(7) The Scottish Ministers may reject an application where they have reasonable grounds for suspecting that there has been any fixing or adjustment of the amount of a bid by, under or in accordance with any agreement (whether legally binding or not) or arrangement with another person.

Approval of applications

6.—(1) The Scottish Ministers shall approve any application which they have selected for approval under paragraph 5(3)(a) or (5).

(2) Subject to the provisions of this Scheme, the Scottish Ministers may—

- (b) at any time amend such conditions.

(3) Without prejudice to the generality of sub-paragraph (2), conditions may be determined which require the applicant to provide such undertakings as the Scottish Ministers may consider appropriate to the application or which require the applicant to procure such undertakings by third parties as the Scottish Ministers may consider appropriate to the application and as are capable of legal enforcement by the Scottish Ministers directly against the person who gave them.

(4) The Scottish Ministers shall in writing—

- (a) notify applicants of the result of their applications; and
- (b) notify applicants whose applications they have approved under this paragraph of any conditions which they have determined or amended under sub paragraph (2).

(5) The Scottish Ministers shall publish in such manner as they consider appropriate a notice identifying the vessels to which applications selected for approval relate.

⁽¹⁴⁾ O.J. No. L 356, 31.12.02, p.12.

(6) The Scottish Ministers shall revoke any approval which the Commission decide is incompatible with the common market having regard to Article 87 of the EC Treaty and, where grant has already been paid in respect of such approval, recover the grant so paid.

(7) Subject to sub-paragraph (8), the Scottish Ministers may revoke an approval where they have reasonable grounds for suspecting that there has been any fixing or adjustment of the amount of a bid by, under or in accordance with any agreement (whether legally binding or not) or arrangement with another person.

(8) Paragraph 15(3) shall apply to revocation under sub-paragraph (7) as it applies to revocation under paragraph 15.

Eligibility and claims for payment of grant

7.—(1) Subject to sub-paragraph (2) and paragraph 15, applicants whose applications have been approved under paragraph 6 shall be eligible for payment of grant in accordance with paragraph 11.

(2) Subject to paragraph (3), no grant shall be paid to an applicant in respect of any vessel unless—

- (a) a claim form in respect of that application, signed by the applicant, has been lodged with the Scottish Ministers on or before the appropriate decommissioning date; and
- (b) the Scottish Ministers are satisfied that the requirements set out in paragraphs 8 and 9 have been complied with.

- (a) the vessel has been decommissioned in accordance with the requirements of paragraph 8;
- (b) all licences and claims to licences have been surrendered in accordance with the requirements of paragraph 9(1)(a); and

(7) An applicant shall furnish all such further information in support of the claim form as the Scottish Ministers may specify in the notice or from time to time require.

(8) The Scottish Ministers shall revoke an approval in respect of which no claim has been lodged on or before the appropriate decommissioning date.

Decommissioning of the vessel

8.—(1) At least two weeks prior to the decommissioning of the vessel, the applicant shall notify the Scottish Ministers in writing of the intended date and place of decommissioning (which shall be within a member State) and the proposed method of decommissioning.

(2) The vessel shall not be decommissioned until the method of decommissioning notified under sub-paragraph (1) has been approved by the Scottish Ministers.

(3) The vessel shall be decommissioned—

(a) before the appropriate decommissioning date; and

- (b) without prejudice to the generality of paragraph (a), that any of the circumstances specified in sub-paragraph (2) exist or have occurred,

they may revoke the approval of such application or withhold the grant or any part of the grant in respect of the application and, where any payment by way of grant has been made, may recover on demand as a debt an amount equal to the whole or any part of the payment which has been so made.

EXPLANATORY NOTE

(This note is not part of the Scheme)

This Scheme provides for the making of grants by the Scottish Ministers, in respect of the decommissioning of fishing vessels.

This Scheme is made by virtue of Article 7 of Council Regulation (EC) No. 2792/99 laying down the criteria and arrangements regarding Community structural assistance in the fisheries and aquaculture sector and the processing and marketing of its products (O.J. No. L 337, 30.12.99, p.10), as corrected by Corrigenda, O.J. No. L 83, 04.04.00, p.35 and O.J. No. L 2, 05.01.01, p.41 and as read with Annex XVII of Council Regulation (EC) No 2341/2002 (O.J. No. L 356, 31.12.02, p.12). Council Regulation 2792/99 is to be read with Council Regulation 2370/02 (O.J. No. L 358, 31.12.02, p.57).

Applications for grant will be considered in respect of vessels meeting the requirements set out in paragraph 3 of the Scheme. These include a requirement that to be eligible a vessel must be at least 10 metres in length and licensed with a Category A licence, other than a Category A (Pelagic Pursuer), a Category A (Pelagic Freezer) or a Category A (Pelagic Trawler) licence. The vessel must be a “Scottish based vessel” as defined in paragraph 3(4).

Paragraphs 4 to 6 of the Scheme lay down a procedure for the making, consideration and approval of applications. Applications must be in respect of one vessel only and include a bid by the applicant for the amount of grant for which the applicant offers to decommission and de-register the vessel and surrender all licences and claims to licences in respect of the vessel. Bids will be selected for approval in accordance with paragraph 5. The Scottish Ministers can determine conditions to which an approval is subject (paragraph 6(2) and (3)).

The Scottish Ministers are empowered from time to time to determine a date (“the appropriate decommissioning date”) by which a claim for grant in respect of an approved application must be lodged. In order for grant to be payable the Scottish Ministers must be satisfied that decommissioning (by a method having the prior approval of the Scottish Ministers) has taken place, that the vessel has been deregistered and licences and claims to licences have been surrendered (paragraphs 7, 8 and 9). In the event of substantial damage or destruction of the vessel the applicant is required to provide the Scottish Ministers with certain information (paragraph 10).

The amount of grant in respect of an approved application is the amount of the bid subject to any modification in the amount required by Council Regulation 2792/99 (paragraph 11) and provision is made concerning the method of payment of grant (paragraph 12). Applicants are required, on request, to give assistance to authorised officers of the Scottish Ministers, who are given powers of entry and inspection for specified purposes (paragraphs 13 to 14), and provision is made for the reduction, withholding and recovery of grant in certain circumstances and for the payment of interest on grant recovered (paragraphs 15 and 16).

Section 17 of the Fisheries Act 1981 creates offences in respect of the production of false statements or documents in purported compliance with any requirement imposed by the Scheme and wilful refusal to supply information, make returns or produce documents when required to do so by or under the Scheme.
