2004 No. 163

The General Medical Services and Section
17C Agreements (Transitional and other
Ancillary Provisions) (Scotland) Order 2004

PART 9

MISCELLANEOUS

Transitory interpretation of references in enactments to primary medical services

95. For so long as default contracts entered into pursuant to article 13 of the Transitional Order continue to exist, a reference in any enactment to primary medical services under the 1978 Act shall be deemed to include a reference to services provided under such contracts.
