

SCHEDULE

1. Maps, plans or drawings shall—
 - (a) be drawn to a metric scale corresponding to a scale used by the Ordnance Survey for that land;
 - (b) be taxative and not demonstrative only;
 - (c) show north;
 - (d) contain map grid reference numbers and sufficient surrounding details (fences, houses etc.) to enable the position of the land to be fixed accurately; and
 - (e) when measurements are shown, be given to two decimal places.
