# **PART II**

#### LANDS AND HERITAGES ON ROLL ON 1ST APRIL 2005

# **Application of Part II**

- 6.—(1) Subject to paragraphs (2) and (3) below, this Part applies to lands and heritages—
  - (a) which are shown in the roll on 1st April 2005; and
  - (b) in respect of all or any part of which there is an entry, or are entries, in the roll on 31st March 2005.
- (2) This Part shall not apply to lands and heritages shown in an entry in the roll on 1st April 2005 if—
  - (a) that entry shows a nil rateable value; or
  - (b) the only lands and heritages shown in that entry which are to any extent shown in the roll on 31st March 2005 then have a nil rateable value.
- (3) This Part shall cease, as from the date of any merged, split or reorganised entry taking effect subsequent to 1st April 2005, to apply to the lands and heritages shown in that entry.

#### Amount payable as rates

- 7. Where the notional liability in respect of any lands and heritages to which this Part applies and any day in the relevant year is—
  - (a) more than the upper transitional limit in respect of these lands and heritages and that day (ascertained in accordance with regulation 9 below), the amount payable as rates in respect of those lands and heritages and that day shall, subject to Parts V and VI below, be that upper transitional limit;
  - (b) less than the lower transitional limit in respect of these lands and heritages and that day (ascertained in accordance with regulation 10 below), the amount so payable shall, subject to those Parts, be that lower transitional limit.

# **Notional liability**

**8.** The notional liability in respect of any lands and heritages to which this Part applies and any day shall be calculated in accordance with the formula—

$$\frac{RV \times PF}{365}$$

where-

RV is the rateable value for those lands and heritages on that day; and PF is the poundage figure of 0.461.

# Upper transitional limit

**9.** The upper transitional limit in respect of any lands and heritages to which this Part applies and any day shall, subject to regulation 12 below, be calculated in accordance with the formula—

where-

BL is the base liability of those lands and heritages, ascertained in accordance with regulation 11 below.

#### Lower transitional limit

**10.** The lower transitional limit in respect of any lands and heritages to which this Part applies and any day shall, subject to regulation 12 below, be calculated in accordance with the formula—

$$BL \propto 0.928$$
  
365

where-

BL has the same meaning as in regulation 9 above.

### **Base liability**

- 11.—(1) The base liability in respect of any lands and heritages shall—
  - (a) in the case of lands and heritages shown in a split or reorganised entry taking effect on 1st April 2005, be calculated in accordance with the formula—

$$\frac{NL \times 365}{1.2}$$

where-

NL is the notional liability of those lands and heritages on 1st April 2005 calculated in accordance with regulation 8;

- (b) in any other case, be the deemed amount (or, in the case of a merged entry taking effect on 1st April 2005, the total deemed amount) in respect of those lands and heritages calculated in accordance with paragraph (2) below.
- (2) In paragraph (1)(b) above, the "deemed amount" in respect of any lands and heritages is the amount which would have been payable as rates in respect of those lands and heritages for the year ending 31st March 2005, had that amount been calculated on the basis of the rateable value of those lands and heritages on that date, before applying any reliefs allowed in terms of these Regulations or the additional factor specified in regulation 18(2) below.

# Changes in rateable value after 1st April 2005

12.—(1) Where, subsequent to 1st April 2005, the rateable value of lands and heritages to which this Part applies is increased with effect from a day in the relevant year (the "effective day"), the upper and lower transitional limits in respect of those lands and heritages shall, as regards days in that year on and after that effective day, be calculated in accordance with the formula—

$$TL + \frac{(IRV - RV) \times PF}{365}$$

where-

TL is the upper, or as the case may be lower, transitional limit in respect of those lands and heritages and the day immediately prior to the effective day;

IRV is the increased rateable value of those lands and heritages;

RV is their rateable value immediately prior to the effective day; and

PF is the poundage figure of 0.461.

- (2) Where the rateable value of lands and heritages to which this Part applies is reduced with effect from a day in the relevant year subsequent to 1st April 2005, as a result of—
  - (a) a material change of circumstances (within the meaning of section 37(1) of the 1975 Act(10); or
  - (b) the assessor amending or adding an apportionment note under paragraph 2 of Schedule 5 to the 1992 Act,

the upper and lower transitional limits in respect of those lands and heritages shall, as regards days in that year on and after that effective day, be calculated in accordance with the formula—

where-

TL and RV have the same meanings as in paragraph (1) above; and RRV is the reduced rateable value of those lands and heritages.

# **PART III**

# MERGERS, SPLITS AND REORGANISATIONS AFTER 1ST APRIL 2005

#### **Application of Part III**

- 13.—(1) Where, subsequent to 1st April 2005, lands and heritages are shown in a merged, split or reorganised entry with effect from a day in the relevant year (the "effective day"), this Part shall, subject to paragraph (2) below, apply to those lands and heritages as from that effective day.
  - (2) This Part shall not apply to lands and heritages shown—
    - (a) in a merged or reorganised entry, if that entry does not show (in whole or in part) any lands and heritages in respect of which—
      - (i) paragraph (a) or (b) of regulation 7 above; or

<sup>(10)</sup> The relevant definition in section 37(1) was amended by the Rating and Valuation (Amendment) (Scotland) Act 1984 (c. 31), section 20 and Schedule 2, paragraph 17, by the Abolition of Domestic Rates etc. (Scotland) 1987 Act (c. 47), Schedule 6, and by the Local Government etc. (Scotland) Act 1994 (c. 39), Schedule 13, paragraph 100(8).

- (ii) this Part,
- applied as regards the day immediately prior to the effective date of that entry;
- (b) in a split entry, if neither of those paragraphs nor this Part applied in respect of the lands and heritages shown in the relevant old entry and the day immediately prior to the effective date of the split entry.

#### Mergers and reorganisations – amount payable as rates

14.—(1) Where lands and heritages to which this Part applies are shown in a merged or reorganised entry, the amount payable as rates in respect of those lands and heritages and a day in the relevant year shall, subject to regulation 16 and Parts IV to VI below, be calculated in accordance with the formula—

TAL x 
$$\frac{RV}{TORV}$$

where-

TAL is the total of the applicable liabilities in respect of each relevant old entry, ascertained in accordance with paragraph (2) below;

RV is the rateable value shown in the merged or reorganised entry; and

TORV is the total old rateable value, being the total of the rateable values shown in the relevant old entries.

- (2) For the purpose of paragraph (1) above, the applicable liability in respect of an old entry is-
  - (a) where paragraph (a) or (b) of regulation 7 above applies in respect of the lands and heritages shown in that entry and the day immediately prior to the effective date of the merged or reorganised entry, the amount determined under the applicable paragraph (before application of Parts IV to VI below);
  - (b) where this Part applies in respect of those lands and heritages and that day, the amount determined under this Part (before application of Parts IV to VI below); and
  - (c) in any other case, the amount calculated in accordance with the formula-

$$\frac{RV \times PF}{365}$$

where-

RV is the rateable value shown in the old entry; and

PF has the same meaning as in regulation 12(1) above.

# Splits – amount payable as rates

15. Where lands and heritages to which this Part applies are shown in a split entry, the amount payable as rates in respect of those lands and heritages and a day in the relevant year shall, subject to regulation 16 and Parts IV to VI below, be calculated in accordance with the formula—

$$AD \times \frac{RV}{ORV}$$

where-

AD is the amount determined under paragraph (a) or (b) of regulation 7 above, or as the case may be this Part, (before application of Parts IV to VI below) in respect of the lands and

heritages shown in the relevant old entry and the day immediately prior to the effective date of the split entry;

RV is the rateable value shown in the split entry; and

ORV is the old rateable value, being the rateable value shown in the relevant old entry.

#### Changes in rateable value

16.—(1) Where the rateable value of lands and heritages to which this Part applies is increased with effect from a day in the relevant year subsequent to 1st April 2005, the amount payable as rates in respect of those lands and heritages and any day in the relevant year ("the effective day") on or after that effective day shall, subject to Parts IV to VI below, be calculated in accordance with the formula—

$$AD + \frac{(IRV - RV) \times PF}{365}$$

where-

AD is the amount determined under regulation 14(1) or 15 above (before application of Parts IV to VI below) in respect of those lands and heritages and the day immediately prior to the effective day;

IRV is the increased rateable value of those lands and heritages;

RV is their rateable value immediately prior to the effective day; and

PF has the same meaning as in regulation 12(1) above.

(2) Where the rateable value of lands and heritages to which this Part applies is reduced with effect from a day in the relevant year, the amount payable as rates in respect of those lands and heritages and any day in the relevant year on or after that effective day shall, subject to Parts IV to VI below, be calculated in accordance with the formula—

$$\Delta D \propto \frac{RRV}{RV}$$

where-

AD and RV have the same meanings as in paragraph (1) above; and

RRV is the reduced rateable value of those lands and heritages.

(3) Where the rateable value of lands and heritages is changed for a second or subsequent time whilst this Part applies to them, paragraphs (1) and (2) above shall have effect with the substitution, in the definition of "AD" in paragraph (1), for the words "regulation 14(1) or 15 above" of the words "this paragraph or paragraph (2) below".

#### PART IV

- (2) Subject to paragraphs (3) and (4) below, where the cumulative rateable value of lands and heritages to which this Part applies falls within one of the ranges specified in column 1 (cumulative

rateable value range) of the table below, the amount of rates payable shall be reduced by the percentage of rate relief specified in the corresponding entry in column 2 (percentage of rate relief).

  - (b) determined in accordance with sections 6(1) and 7B(2) of the Valuation and Rating (Scotland) Act 1956(15),

then the amount of rate relief shall be restricted to 5% in respect of the rates payable as so reduced or, as the case may be, determined.

- (4) Where the amount of rates payable in respect of any lands and heritages to which this regulation applies falls to be reduced or remitted by virtue of a rating authority exercising any of the powers listed at regulation 21(b) below, and paragraph (3) above does not apply, then the percentage of rate relief as calculated under paragraph (2) above shall be applied to the rates payable as so reduced or, as the case may be, remitted.
- (5) Where the cumulative rateable value is £8,000 or above but includes lands and heritages which are valued at £11,500 or under then the amount of rate relief for any such lands and heritages that are valued at £11,500 or under shall be 5%.

#### **EXPLANATORY NOTE**

(This note is not part of the Regulations)

These Regulations make provision as to the amount payable in certain circumstances as non domestic rates in respect of non domestic subjects in Scotland. They apply only to the financial year 2005 06 ("the relevant year").

Part I makes provision as to citation, commencement and interpretation.

Part II deals with amounts payable in respect of non domestic subjects which are shown in the valuation roll as at 1st April 2005 and 31st March 2005. The Part ceases to apply to a non domestic subject if and when it becomes the subject of a merged, split or reorganised entry in the valuation roll taking effect during the relevant year. For every day of the relevant year, the notional rates liability for a non domestic subject (that is, the full amount ordinarily payable as rates) must be compared against that subject's upper and lower transitional limits. If the notional liability is more than the upper limit or less than the lower limit, the amount payable will be equal to the upper or lower limit, as the case may be (regulation 7). Upper and lower transitional limits are calculated by multiplying a non domestic subject's notional rates liability for 2004/2005 (its "base liability") by set figures (regulations 9 and 10). Regulation 11 makes provision for the calculation of base liability. Regulation 12 specifies how transitional limits are to be recalculated in cases where the rateable value of the non domestic subject changes during the relevant year.

Part III makes provision for the situation where a non domestic subject is shown in a merged, split or reorganised entry in the valuation roll which takes effect during the relevant year. If the amount of rates payable in respect of any component of the property shown in the new entry was being determined under Regulations immediately prior to that entry taking effect, then Part III applies to determine the amount payable in respect of that property for the rest of the year (regulation 13). That amount is calculated by apportioning or aggregating, as the case may be, the amount or amounts payable immediately prior to the effective date of the new entry in respect of the non domestic subject affected by the new entry (regulations 14 and 15). Regulation 16 provides for amounts payable to be recalculated if there is a change in the rateable value of property whilst Part III applies to it.

Part IV provides for a general reduction in rates for non domestic subjects with a rateable value of £11,500 or less. Regulation 17 provides for a reduction on a sliding scale of between 10 per cent and 50 per cent on the rates payable where the cumulative rateable value of the non domestic subject occupied by the ratepayer is less than £8,000. Where the amount of rates payable in respect of which the non domestic subject to which this part applies falls to be reduced by virtue of any of the enactments listed at regulation 17(3)(a), or is determined in accordance with regulation 17(3)(b) then the reduction in rates is limited to 5 per cent. Where the amounts of rates payable is reduced or remitted by virtue of the enactments listed at regulation 21(b) and regulation 17(3) does not apply then the percentage of rate relief given on the sliding scale shall be applied to the rates reduced or remitted. Where the cumulative value of the non domestic subjects occupied by the ratepayer is £8,000 or above, but includes subjects which are valued at £11,500 or under, the reduction on the rates payable on the said subjects is restricted to 5 per cent.

Part V provides for a general increase in rates for non domestic subjects with a rateable value of more than £29,000.

Part VI deals with reductions, remissions and exemptions. Regulations 19 and 20 provide for reductions under other enactments to apply in cases where the amount payable is determined under Part II, III, IV or V in the same way as they apply in cases where these Regulations do not have effect. Nothing in the Regulations requires the payment of rates on property which is entirely exempt from

rates under any other enactment, or prejudices the power of a rating authority to grant discretionary reductions or remissions (regulation 21).

Part VII revokes the Non Domestic Rates (Levying) (Scotland) Regulations 2004.
