“SCHEDULE 3A

Regulation 5(5)

THE POULTRY HEALTH SCHEME

PART I

MEMBERSHIP

1. Any reference to “the Directive” in this Part of this Schedule is a reference to Council Directive [90/539/EEC](#).

2. An application for an establishment to become a member of the Poultry Health Scheme (“the scheme” in this Schedule) must be accompanied by the registration fee, the details of which are set out in Part II of this Schedule.

3. The Scottish Ministers shall grant membership of the scheme to an establishment if–

(a) they are satisfied, following an inspection by a veterinary inspector who is a member of the State Veterinary Service, that–

(i) the establishment meets the requirements regarding facilities in Chapter II of Annex II to the Directive; and

(ii) the operator of the establishment will comply, and ensure that the establishment complies, with the requirements of point 1 of Chapter I of Annex II to the Directive; and

(b) the operator of the establishment, having been notified that the Scottish Ministers are satisfied that the requirements in sub paragraph (a) are met, has paid the annual membership fee, the details of which are set out in Part III of this Schedule.

4. The disease surveillance programme referred to in paragraph (b) of point 1 of Chapter I of Annex II to the Directive shall consist of the disease surveillance measures specified in Chapter III of Annex II to the Directive, together with any additional testing requirements that a veterinary inspector notifies in writing to the operator of an establishment as being requirements that the inspector considers are necessary to avoid the spreading of contagious disease through intra Community trade, taking into account the particular circumstances at that establishment.

5. On receipt of the first annual membership fee, the Scottish Ministers shall issue the establishment’s membership certificate, which shall include the establishment’s membership number.

6. The operator of an establishment which is a member of the scheme shall pay the annual membership fee each year, and shall pay any re-inspection fee, the details of which are set out in Part IV of this Schedule, when it becomes due.

7. In order to ensure that establishments and operators of those establishments continue to meet the requirements of the scheme, and generally to ensure compliance with the Directive–

(a) a veterinary inspector shall carry out an annual inspection of the establishment; and

(b) a veterinary inspector shall carry out any additional inspections (insofar as not provided for under paragraph 9) which the Scottish Ministers consider necessary.

Status: This is the original version (as it was originally made).

8. The operator of an establishment shall notify the Scottish Ministers if ownership or control of the establishment changes.

9.—(1) Without prejudice to any action which may be taken under paragraph 10, where at the annual inspection of an establishment, the establishment or the operator of that establishment do not appear to the Scottish Ministers to meet the requirements for membership of the scheme or of the Directive a veterinary inspector who is a member of the State Veterinary Service shall carry out such additional inspections (“re-inspections”) as the Scottish Ministers consider necessary to ensure compliance with those requirements.

(2) If a re-inspection is carried out—

- (a) a fee shall be charged for each re-inspection; and
- (b) such a fee shall become due upon receipt of an invoice for that fee by the operator of that establishment.

10. The Scottish Ministers—

- (a) shall suspend, revoke or restore membership of the scheme in accordance with Chapter IV of Annex II to the Directive (references to “withdrawal” in that Chapter shall be read as references to “revocation” for the purposes of this paragraph); and
- (b) may suspend or revoke membership of the scheme if—
 - (i) an establishment is in breach of any of the requirements regarding facilities in Chapter II of Annex II to the Directive;
 - (ii) the operator or the establishment is in breach of any of the requirements in point 1 of Chapter I of Annex II to the Directive;
 - (iii) ownership or control of an establishment changes; or
 - (iv) the operator has not paid the annual membership fee or if a re-inspection fee remains unpaid for 30 days or more after becoming due.

12. The registration fee shall be payable to the Scottish Ministers in respect of each establishment for which an application is made and shall be non refundable.

13. The items referred to in paragraph 11(a) are—

PART III

ANNUAL MEMBERSHIP FEE

14. There shall be two rates for the annual membership fee; a higher rate which includes the cost of an annual inspection by a veterinary inspector who is a member of the State Veterinary Service, and a lower rate which does not include the cost of such an inspection.

15. The lower rate shall be payable—

- (a) the first time the annual membership fee is paid (the cost of the first annual inspection having been included in the registration fee); and
- (b) in subsequent years where the operator of the establishment has elected for the inspection to be carried out by a veterinary inspector who is not a member of the State Veterinary Service (in which case the cost of the inspection is payable directly to the veterinary inspector by the operator).

16. The Scottish Ministers shall—

- (a) determine the two rates of the annual membership fee on the basis of available information as to the cost attributable to each establishment of the items listed in paragraph 18; and
- (b) publish the current rates of the annual membership fee on the website of the Scottish Executive.

17. The annual membership fee shall be payable to the Scottish Ministers in respect of each establishment and shall be non refundable.

18. The items referred to in paragraph 16(a) are—

- (g) any other incidental expenses incurred in connection with the administration of the scheme.

19. The items listed in paragraph 18 shall not include any expense which relates to the administration of, travel to and from, and attendance at the inspections insofar as that expense is recoverable under paragraph 9 of Part I of this Schedule.

PART IV

RE-INSPECTION FEE

20. The re-inspection fee provided for under paragraph 9 of Part I of this Schedule shall be composed of—

- (a) a charge for the veterinary inspector's time spent at the establishment carrying out the re-inspection, the rate for which charge shall be £45 per hour or part thereof; and
- (b) a charge for mileage, that is for each mile travelled by the veterinary inspector between his ordinary place of work and the establishment in order to carry out the re-inspection, the rate of which charge shall be 33 pence per mile.

21. The Scottish Ministers may, using such criteria as they consider appropriate in all these circumstances, reduce the charge for mileage under paragraph 20(b) in respect of any particular re-inspection in order to avoid an over recovery of mileage costs incurred for a journey in the course of which other official activity is undertaken in addition to that re-inspection.

3. For the purpose of deciding whether to grant, revoke or suspend an approval under paragraph 1, the Scottish Ministers may require the laboratory to undergo such inspections and quality assurance testing as they consider necessary.

4. The Scottish Ministers may, by notice in writing to the operator, revoke or suspend an approval under paragraph 1, where—

- (a) the annual approval fee remains unpaid for 30 days or more after becoming due;
- (b) it appears to them that inspection or testing of the laboratory for the purpose of this Schedule has been obstructed by the operator or any staff of the operator of the laboratory; or

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Animals and Animal Products (Import and Export) (Scotland) Regulations 2000 (“the principal Regulations”).

The amendments provide a statutory basis for the Poultry Health Scheme, which is implemented by the Scottish Ministers in order to ensure compliance with the rules set out in Annex II to Council Directive [90/539/EEC](#) (on animal health conditions governing intra-Community trade in, and imports from third countries of, poultry and hatching eggs) (O.J. No. L 303, 31.10.90, p. 6) (“the Directive”) (regulation 2(3) and (7) and the Schedule). Hatching eggs, day-old chicks and poultry to which Article 6 of the Directive applies may only be exported to another Member State if they come from an establishment that is a member of the Poultry Health Scheme. Applications for establishments to join the Scheme must be accompanied by a registration fee and members of the Scheme must pay an annual membership fee. Provision is also made for establishments which have a distinguishing number allocated to them for purposes of Article 6.1(a) of the Directive on 29th October 2005 to be treated as members of the Poultry Health Scheme (regulation 2(3)). These Regulations also make arrangements for the approval of laboratories to undertake Mycoplasma testing under the Poultry Health Scheme, including the details of the annual approval fee (regulation 2(4) and (7) and the Schedule).

A definition of the Directive has been inserted into the principal Regulations (regulation 2(2)). Paragraph 6 of Part I of Schedule 3 and paragraph 8 of Part II of Schedule 5 to the principal Regulations have been updated to implement Community Instruments relevant to the Directive which have come into force since the principal Regulations were made (regulation 2(6) and (8)).

A Regulatory Impact Assessment has not been prepared for these Regulations.
