
SCOTTISH STATUTORY INSTRUMENTS

2006 No. 151

**The Pesticides (Maximum Residue Levels in Crops, Food
and Feeding Stuff) (Scotland) Amendment Regulations 2006**

Amendments coming into force on 10th May 2006

5. Schedules 1 and 2 are amended as follows—
 - (a) in Schedule 1 (pesticide residues), for the entry for Metalaxyl, substitute the entry for Metalaxyl set out in Schedule 3 to these Regulations; and
 - (b) in Schedule 2 (maximum residue levels), for the entries in the columns relating to Azoxystrobin, Bifenthrin, Cyromazine, Kresoxim methyl and Metalaxyl, substitute the entries in the columns relating to those pesticides set out in Schedule 1 to these Regulations.
