## PART II

### LANDS AND HERITAGES ON ROLL ON 1ST APRIL 2006

#### **Application of Part II**

6.—(1) Subject to paragraphs (2) and (3), this Part applies to lands and heritages—

- (a) which are shown in the roll on 1st April 2006; and
- (b) in respect of all or any part of which there is an entry, or are entries, in the roll on 31st March 2006.

(2) This Part shall not apply to lands and heritages shown in an entry in the roll on 1st April 2006 if—

- (a) that entry shows a nil rateable value; or
- (b) the only lands and heritages shown in that entry which are to any extent shown in the roll on 31st March 2006 then have a nil rateable value.

(3) This Part shall cease, as from the date of any merged, split or reorganised entry taking effect subsequent to 1st April 2006, to apply to the lands and heritages shown in that entry.

#### **Amount payable as rates**

7. Subject to regulation 9, the amount payable as rates in respect of any lands and heritages to which this Part applies and any day in the relevant year shall be calculated in accordance with the formula—

$$\text{ARP} = \text{NL} + (0.649 \times \text{BTA})$$

where—

ARP is the amount of rates payable;

NL is the notional liability calculated in accordance with regulation 8; and

BTA is the base transitional adjustment, being the amount payable as rates in respect of those lands and heritages and 31st March 2006, less the notional liability in respect of those lands and heritages on 31st March 2006 calculated in accordance with the formula contained in regulation 8 of the 2005 Regulations.

### **Notional liability**

8. The notional liability in respect of any lands and heritages to which this Part applies and any day shall be calculated in accordance with the formula—

$$\frac{RV \times PF}{365}$$

where—

RV is the rateable value for those lands and heritages on that day; and

PF is the poundage figure of 0.449.

### **Changes in rateable value on or after 1st April 2006**

9.—(1) Where, on or after 1st April 2006, the rateable value of lands and heritages to which this Part applies is increased with effect from a day in the relevant year (the “effective day”) the ARP shall not be payable and the amount payable as rates shall, as regards days in that year on and after the effective day, be calculated in accordance with the formula—

$$ARP + \frac{(IRV - RV) \times PF}{365}$$

where—

ARP has the same meaning as in regulation 7;

IRV is the increased rateable value of those lands and heritages;

RV is their rateable value immediately prior to the effective day; and

PF is the poundage figure of 0.449.

(2) Where the rateable value of lands and heritages to which this Part applies is reduced with effect from a day in the relevant year on or after 1st April 2006, as a result of—

- (a) a material change of circumstances (within the meaning of section 37(1) of the 1975 Act); or
- (b) the assessor amending or adding an apportionment note under paragraph 2 of Schedule 5 to the 1992 Act,

the ARP shall not be payable but shall, as regards days in that year on and after that effective day, be calculated in accordance with the formula—

$$\frac{ARP \times RRV}{RV}$$

where—

ARP and RV have the same meanings as in paragraph (1); and

RRV is the reduced rateable value of those lands and heritages.

## PART III

### MERGERS, SPLITS AND REORGANISATIONS AFTER 31st MARCH 2006

#### Application of Part III

**10.**—(1) Subject to paragraph (2), where, subsequent to 31st March 2006, lands and heritages are shown in a merged, split or reorganised entry with effect from a day in the relevant year (the “effective day”), this Part shall apply to those lands and heritages as from that effective day.

(2) This Part shall not apply to lands and heritages shown—

(a) in a merged or reorganised entry, if that entry does not show (in whole or in part) any lands and heritages in respect of which—

(i) regulation 7; or

(ii) this Part,

applied as regards the day immediately prior to the effective date of that entry;

(b) in a split entry, if neither regulation 7 nor this Part applied in respect of the lands and heritages shown in the relevant old entry and the day immediately prior to the effective date of the split entry.

#### Mergers and reorganisations - amount payable as rates

**11.**—(1) Subject to regulation 13 and Parts IV to VI, where lands and heritages to which this Part applies are shown in a merged or reorganised entry, the amount payable as rates in respect of those lands and heritages and a day in the relevant year shall be calculated in accordance with the formula—

$$\frac{TAL \times RV}{TORV}$$

where—

TAL is the total of the applicable liabilities in respect of each relevant old entry, ascertained in accordance with paragraph (2);

RV is the rateable value shown in the merged or reorganised entry; and

TORV is the total old rateable value, being the total of the rateable values shown in the relevant old entries.

(2) For the purpose of paragraph (1), the applicable liability in respect of an old entry is—

(a) where regulation 7 applies in respect of the lands and heritages shown in that entry and the day immediately prior to the effective date of the merged or reorganised entry, the amount determined thereunder (before application of Parts IV to VI);

(b) where this Part applies in respect of those lands and heritages and that day, the amount determined under this Part (before application of Parts IV to VI); and

(c) in any other case, the amount calculated in accordance with the formula—

$$\frac{RV \times PF}{365}$$

where—

RV is the rateable value shown in the old entry; and

PF has the same meaning as in regulation 9(1).

### **Splits - amount payable as rates**

12. Subject to regulation 13 and Parts IV to VI, where lands and heritages to which this Part applies are shown in a split entry, the amount payable as rates in respect of those lands and heritages and a day in the relevant year shall be calculated in accordance with the formula—

$$\frac{AD \times RV}{ORV}$$

where—

AD is the amount determined under regulation 7, or as the case may be, this Part, (before application of Parts IV to VI) in respect of the lands and heritages shown in the relevant old entry and the day immediately prior to the effective date of the split entry;

RV is the rateable value shown in the split entry; and

ORV is the old rateable value, being the rateable value shown in the relevant old entry.

### **Changes in rateable value**

$$AD + \frac{(IRV - RV) \times PF}{365}$$

where—

AD is the amount determined under regulation 11(1) or 12 (before application of Parts IV to VI) in respect of those lands and heritages and the day immediately prior to the effective day;

IRV is the increased rateable value of those lands and heritages;

RV is their rateable value immediately prior to the effective day; and

$$\frac{AD \times RRV}{RV}$$

where—

AD and RV have the same meanings as in paragraph (1); and

RRV is the reduced rateable value of those lands and heritages.

(3) Where the rateable value of lands and heritages is changed for a second or subsequent time whilst this Part applies to them, paragraphs (1) and (2) shall have effect with the substitution, in the definition of “AD” in paragraph (1), for the words “regulation 11(1) or 12” of the words “this paragraph or paragraph (2)”.

(2) Subject to paragraphs (3) and (4), where the cumulative rateable value of lands and heritages to which this Part applies falls within one of the ranges specified in column 1 (cumulative rateable value range) of the table below, the amount of rates payable shall be reduced by the percentage of rate relief specified in the corresponding entry in column 2 (percentage of rate relief).

| <i>Cumulative rateable value range</i> | <i>Percentage of rate relief</i> |
|--|----------------------------------|
| Less than £3,500                       | 50%                              |
| £3,500 or above but under £4,500       | 40%                              |

(2) Where this regulation has effect, the amount payable shall be determined by applying the enactments referred to in paragraph (1)(a) to the amount determined under regulation 7 or Part III, as the case may be, in the same manner as those enactments are applied to the full amount payable

as rates in respect of lands and heritages and a day in the case where neither regulation 7 nor Part III has effect.

(3) For the purposes of paragraph (2) the amount determined under regulation 7 shall include any such additional amounts payable as rates under Part V.

(2) Subject to paragraph (3), where this regulation has effect, the amount payable shall be calculated in accordance with the formula—

$$\frac{A \times ARV}{RV}$$

where—

A is the amount for the day determined under regulation 7, Part III or Part V, as the case may be;

ARV is the applicable rateable value, being the rateable value treated for rating purposes as the rateable value of the lands and heritages in terms of subsection (2), or as the case may be subsection (4), of section 24A of the 1966 Act; and

RV is the rateable value shown in the roll for those lands and heritages.

(3) Where—

- (a) this regulation has effect as regards lands and heritages and a day; and
- (b) the amount payable as rates in respect of those lands and heritages and that day falls to be reduced by virtue of an enactment referred to in paragraph (1)(a)(i), (iii) or (iv) of regulation 16,

the amount payable shall be determined in accordance with paragraph (2) of that regulation, but as if for the words “regulation 7 or Part III, as the case may be,” in that paragraph there were substituted the words “regulation 17(2)”.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations make provision as to the amount payable in certain circumstances as non domestic rates in respect of non domestic subjects in Scotland. They apply only to the financial year 2006-2007 (“the relevant year”).

Part I makes provision as to citation, commencement and interpretation.

Part II deals with amounts payable in respect of non domestic subjects which are shown in the valuation roll as at 1st April 2006 and 31st March 2006. The Part ceases to apply to a non domestic subject if and when it becomes the subject of a merged, split or reorganised entry in the valuation roll taking effect during the relevant year. For every day of the relevant year the amount payable as rates is calculated in accordance with regulation 7. The notional liability is calculated in accordance with regulation 8. This provides another formula related to the rateable value and the poundage figure. Regulation 9 makes provision for the calculation of the rates payable where rateable value changes during the relevant year.

Part III makes provision for the situation where a non domestic subject is shown in a merged, split or reorganised entry in the valuation roll which takes effect during the relevant year. If the amount of rates payable in respect of any component of the property shown in the new entry was being determined under the 2005 Regulations immediately prior to that entry taking effect, then Part III applies to determine the amount payable in respect of that property for the rest of the year (regulation 10). That amount is calculated by apportioning or aggregating, as the case may be, the amount or amounts payable immediately prior to the effective date of the new entry in respect of the non domestic subject affected by the new entry (regulations 11 and 12). Regulation 13 provides for amounts payable to be recalculated if there is a change in the rateable value of property whilst Part III applies to it.

Part IV provides for a general reduction in rates for non domestic subjects with a rateable value of £11,500 or less. Regulation 14 provides for a reduction on a sliding scale of between 10 per cent and 50 per cent on the rates payable where the cumulative rateable value of the non domestic subject occupied by the ratepayer is less than £8,000. Where the amount of rates payable in respect of which the non domestic subject to which this Part applies falls to be reduced by virtue of any of the enactments listed at regulation 14(3)(a), or is determined in accordance with regulation 14(3)(b) then the reduction in rates is limited to 5 per cent. Where the amounts of rates payable is reduced or remitted by virtue of the enactments listed at regulation 18(b) and regulation 14(3) does not apply then the percentage of rate relief given on the sliding scale shall be applied to the rates reduced or remitted. Where the cumulative value of the non domestic subjects occupied by the ratepayer is £8,000 or above, but includes subjects which are valued at £11,500 or under, the reduction on the rates payable on the said subjects is restricted to 5 per cent.

Part V provides for a general increase in rates for non domestic subjects with a rateable value of more than £29,000.

Part VI deals with reductions, remissions and exemptions. Regulations 16 and 17 provide for reductions under other enactments to apply in cases where the amount payable is determined under Part II, III, IV or V in the same way as they apply in cases where these Regulations do not have effect. Nothing in the Regulations requires the payment of rates on property which is entirely exempt from rates under any other enactment, or prejudices the power of a rating authority to grant discretionary reductions or remissions (regulation 18).

Part VII revokes the 2005 Regulations and the Non-Domestic Rates (Levy) (Scotland) Regulations 2006.
