

SCHEDULE 1

Measures applicable in respect of a wild bird protection zone

PART 1

Movement and gathering of birds

Prohibition on the movement of poultry and other captive birds in to or out of a wild bird protection zone

2. No person may move poultry or other captive birds in to or out of a wild bird protection zone except where—

- (a) the movement is through the zone on a major highway or railway if no stop is made within the zone; or
- (b) in the case of poultry, the movement is from outside the zone to a slaughterhouse in the zone.
