

### SCHEDULE 3

Bulk transport in sea-going vessels of liquid oils or fats or of raw sugar

**12.** Raw sugar which has been transported by sea in receptacles, containers or tankers which are not exclusively reserved for the transport of foodstuffs shall be subjected to a full and effective refining process before being considered suitable for use as food or as a food ingredient.

**Changes to legislation:**

There are currently no known outstanding effects for the The Food Hygiene (Scotland) Regulations 2006, Paragraph 12.
