

SCHEDULE 3

Bulk transport in sea-going vessels of liquid oils or fats or of raw sugar

9. A food business operator who is responsible for the transport of raw sugar by sea under paragraph 7 shall keep documentary evidence accurately describing in detail the immediate previous cargo carried in the receptacle, container or tanker concerned, and the type and effectiveness of the cleaning process applied prior to the transport of the raw sugar.

Changes to legislation:

There are currently no known outstanding effects for the The Food Hygiene (Scotland) Regulations 2006, Paragraph 9.
