

EXECUTIVE NOTE

THE TOWN AND COUNTRY PLANNING (APPLICATION OF SUBORDINATE LEGISLATION TO THE CROWN) (SCOTLAND) AMENDMENT ORDER 2007 (S.S.I. 2007/221)

The above instrument was made in exercise of the powers conferred by sections 98 and 122(3) of the Planning and Compulsory Purchase Act 2004. The instrument is subject to negative resolution procedure.

Policy Objectives

The purpose of this instrument is to correct some drafting errors in the Town and Country Planning (Application of Subordinate Legislation to the Crown) (Scotland) Order 2006 (S.S.I. 2006/270). These errors were identified by the Subordinate Legislation Committee when that original order was laid before the Parliament last year. While these errors did not undermine the validity of the Order, the Executive undertook to correct them. Ideally this would have been done immediately, however it took time to check for any other, similar errors which could be included in the same order, as well as pressures in relation to work on the Planning Etc (Scotland) Bill.

Consultation

The purpose of the instrument is merely to correct drafting errors and no consultation was required.

Financial Effects

There are no financial effects arising from these corrections.
