Applications for payment of less favoured area support

3.—(1) An application for less favoured area support must be in such form and contain such particulars relating to that application as the Scottish Ministers may reasonably require.

(2) An applicant may submit the application for less favoured area support in respect of the Scheme Year in question to the Scottish Ministers on or before a date each year which the Scottish Ministers determine from time to time.

(3) If an applicant submits an application for less favoured area support in respect of the relevant Scheme Year later than the date determined by the Scottish Ministers, the Scottish Ministers must reduce, or as the case may be exclude the applicant from, payment of less favoured area support in accordance with Article 21 of Commission Regulation 796/2004.

Eligibility for payment of less favoured area support

4.—(1) Payment of less favoured area support may be made to an applicant in respect of a Scheme Year only if—

- (a) subject to paragraphs (2) and (3), that applicant has given an undertaking, in such form as the Scottish Ministers may reasonably require, to continue to use eligible land for a period of not less than five years from the first payment made under—
 - (i) these Regulations;
 - (ii) the 2005 Regulations;
 - (iii) the 2004 Regulations;

- (a) if the applicant has, during the period for which the undertaking was given, transferred all or part of the holding to another person and that person agrees to take over the undertaking;
 - (b) if, where the applicant has ceased farming during the period for which the undertaking was given, the applicant’s successor agrees to take over the undertaking; or

(17) 2000 c. 7.

(3) In the event that the applicant has ceased farming and the applicant's successor does not agree to be bound by the undertaking referred to in paragraph (1), the Scottish Ministers may, if satisfied that the applicant has, at the time of the cessation of farming, honoured a significant proportion of the undertaking, release the applicant from that undertaking.

Payment of less favoured area support

5. The Scottish Ministers may pay, on such occasions as they consider fit, in respect of the Scheme Year in question less favoured area support to an applicant who, in the opinion of the Scottish Ministers, actively farms eligible land which is not less than 3 hectares.

Eligible land

6.—(1) Subject to paragraphs (2) and (3), eligible land comprises the number of hectares of forage area in a less favoured area with a less favoured area support grazing category value attributed to it by 31st December 2006, as declared by the applicant in a single application submitted by the applicant in accordance with article 11 of Council Regulation 796/2007 to the Scottish Ministers on or before 15th May in the Scheme Year for which the payment is to be made.

(2) Where an applicant has not received a Scheme 2005 payment and a Scheme 2006 payment of less favoured area support, to be eligible, not less than 3 hectares of the land declared must also have been declared in a single application submitted to the Scottish Ministers on or before 15th May 2005, by an applicant under the 2006 Scheme who received a Scheme 2006 payment in respect of the land in question.

(3) Only land which has been declared in a single application in the Scheme Year to which the payment relates as having one of the land use codes in Schedule 1 qualifies as eligible land.

(4) Eligible land includes land in respect of which the applicant has a right of use pursuant to arrangements such as short term lets, seasonal grazing and common grazing.

(5) Subject to paragraph (6) where the Scottish Ministers determined for the purposes of the Scheme 2006 payment the number of eligible forage hectares in accordance with regulation 6(4) of the 2005 Regulations, in respect of land also declared in accordance with paragraph (1), the area deemed ineligible under the 2005 Regulations shall also be deducted from the area of eligible land determined in accordance with paragraph (1).

(6) If the ineligible area referred to in paragraph (5) related to a holding for the purposes of the 2005 Regulations which was subsequently sub-divided and is declared in accordance with paragraph (1) by more than one applicant, the Scottish Ministers shall determine the share of the ineligible area to be deducted from the eligible hectares of each applicant who did not receive a Scheme 2006 payment.

Transfer of a holding

7.—(1) In determining eligible land under regulation 6(1), the decision of the Scottish Ministers shall be in accordance with Article 74 of Commission Regulation 796/2004.

(2) For the purpose of paragraph 6 of Article 74 of Commission Regulation 796/2004, the Scottish Ministers must grant less favoured area support to the transferor of a holding, if the transferor—

- (a) fulfils the conditions laid down by paragraphs 2 to 5 of Article 74 of Commission Regulation 796/2004; and
- (b) has been in continuous occupation of the holding for a period of not less than 183 calendar days in the Scheme Year concerned.

Amount of less favoured area support

8.—(1) Subject to paragraph (2) and regulation 13 (minimum payment), the amount of less favoured area support is calculated in accordance with the following formula:—

$$\text{LFAS} = \text{P} \times \text{R}$$

Where—

LFAS is the amount of less favoured area support payable;

P is the payable area calculated in accordance with regulation 9 and, where appropriate, adjusted in accordance with regulation 11; and

R is the rate of payment determined in accordance with regulation 12.

(2) Where an applicant has eligible land in more than one grazing category (as determined for the purposes of regulation 9) then—

(a) the calculation in paragraph (1) is applied in respect of the total area of eligible land in each grazing category and, for the purposes of each calculation—

(i) P is the payable area of land in each grazing category calculated in accordance with regulation 9 and, where appropriate, adjusted in accordance with regulation 11; and

(ii) R is the rate of payment for each type of grazing category determined in accordance with regulation 12; and

(b) the total amount of less favoured area support payable is the sum of each of those calculations.

Determination of Payable Area

9.—(1) Subject to regulation 10, the payable area is the total of the areas of eligible land of the applicant in each grazing category, adjusted in accordance with the following formula:—

$$\text{P} = \text{E} \times \text{V}$$

Where—

P is the payable area;

E is the area of eligible land in each field or shared grazing in the Scheme Year for which payment is to be made; and

V is the hectare value for each field or shared grazing determined in accordance with paragraph (2).

(2) For the purpose of paragraph (1) the hectare value is the entry in the third column of Schedule 2 corresponding to the grazing category in the second column of that Schedule.

(3) For the purposes of this regulation the grazing category of each field or shared grazing of the applicant is the entry in the second column of Schedule 2 corresponding to the entry in the first column of that Schedule relating to the stocking density of the applicant who declared the field or shared grazing in an area aid application(18) submitted in 2001 on or before 15th May 2001.

(4) For the purposes of paragraph (3), the stocking density for each field or shared grazing is either—

(a) the stocking density that was determined for that field or shared grazing by regulation 9 of the 2003 Regulations following upon an application for less favoured area support under those Regulations; or

(18) Area aid application has the same meaning as in Article 6 of Council Regulation (EC) 3508/1992 establishing an integrated administration and control system for certain Community aid schemes (O.J. No. L 355, 05.12.1992, p.1.)

- (b) where no stocking density was determined under regulation 9 of the 2003 Regulations for a field or shared grazing the stocking density figure determined by the Scottish Ministers under regulation 9(5) of the 2005 Regulations for that part of the land of the applicant on or before 31st December 2006.

Stocking density outwith maximum and minimum parameters

10.—(1) Subject to paragraphs (4), (5) and (6), where the applicant was also the applicant for the purposes of the Scheme 2006 payment, the following provisions of this regulation apply where the stocking density calculated in accordance with regulation 10(4) of and Parts I and II of Schedule 1 to the 2005 Regulations for the purposes of the 2006 Scheme payment, was either less than the minimum stocking density or greater than the maximum stocking density.

(2) Where the stocking density calculated in accordance with regulation 10(4) of and Parts I and II of Schedule 1 to the 2005 Regulations for the purposes of the Scheme 2006 payment is less than the minimum stocking density, the eligible land for the purposes of the calculation at regulation 9(1) is the number of hectares calculated in accordance with the following formula:—

$$E_1 = (F \times S) \div M$$

Where—

E_1 is the area of eligible land adjusted in accordance with this regulation;

F is the total area of eligible land of the applicant;

S is, subject to paragraphs (4), (5) and (6), the stocking density calculated for the applicant in accordance with regulation 10(4) of and Parts I and II of Schedule 1 to the 2005 Regulations for the purposes of the 2006 Scheme payment; and

M is the minimum stocking density.

(3) Where the stocking density calculated in accordance with regulation 10(4) of and Parts I and II of Schedule 1 to the 2005 Regulations for the purposes of the Scheme 2006 payment is greater than the maximum stocking density, the eligible land for the purposes of the calculation at regulation 9(1) is the number of hectares calculated in accordance with the following formula:—

$$E_2 = (F \times M) \div S$$

Where—

E_2 is the area of eligible land adjusted in accordance with this regulation;

F is the total areas of eligible land of the applicant;

M is the maximum stocking density; and

S is, subject to paragraphs (4), (5) and (6), the stocking density calculated for the applicant in accordance with regulation 10(4) of Parts I and II of Schedule 1 to the 2005 Regulations for the purposes of the 2006 Scheme payment.

(4) Where—

(a) an applicant has land in more than one grazing category (as determined for the purposes of regulation 9); and

(b) where eligible land, for the purpose of the calculation in regulation 9(1), for that applicant has been reduced under paragraph (2) or (3),

the Scottish Ministers must apply that reduction in eligible land proportionately to the total of the eligible land in each grazing category for the purpose of the calculation in regulation 9(1).

(5) Where an applicant has not received a Scheme 2005 payment and a Scheme 2006 payment of less favoured area support, the stocking density for the purposes of the formulae at paragraphs (2) and (3) is the stocking density calculated in accordance with regulation 10(4) of and Parts I and II

of Schedule 1 to the 2005 Regulations, for the purposes of the Scheme 2006 payment of the person who was the applicant in respect of the land in question, under the 2005 Regulations.

(6) Where an applicant received a Scheme 2005 payment but did not receive a Scheme 2006 payment, the stocking density for the purposes of the formulae at paragraphs (2) and (3) is the stocking density calculated in accordance with regulation 10(4) of and Parts I and II of Schedule 1 to the 2005 Regulations, for the purposes of the Scheme 2005 payment of the applicant.

(7) Where the stocking density for the purposes of the Scheme 2006 payment of either—

- (a) the applicant under these Regulations; or
- (b) where paragraph (5) applies, the person who was the applicant in respect of the land in question under the 2005 Regulations,

was less than the minimum stocking density, due to the culling of the stock on the land in question in the context of the control of an outbreak of an epizootic disease during or prior to 2004, the applicant may request that Scottish Ministers make a decision determining the stocking density to be used for the purposes of the formulae at paragraph (2).

Enterprise mix

11.—(1) Subject to paragraphs (2), (3) and (4), where one of the hectare multipliers contained in the second column of Schedule 6 to the 2005 Regulations, under regulation 11 of those Regulations, applied to the Scheme 2006 payment of the applicant, the payable area calculated in accordance with regulation 9 is adjusted in accordance with the following formula:—

$$P_1 = P_2 \times Z$$

Where—

P_1 is the payable area adjusted in accordance with this regulation;

P_2 is the payable area calculated in accordance with regulation 9; and

Z is the multiplier contained in the second column of Schedule 6 to the 2005 Regulations, under regulation 11 of those Regulations which applied to the Scheme 2006 payment of the applicant.

(2) Where an applicant has not received a Scheme 2005 payment and a Scheme 2006 payment of less favoured area support, the hectare multiplier for the purposes of the formulae at paragraph (1) is the hectare multiplier contained in the second column of Schedule 6 to the 2005 Regulations, under regulation 11 of those Regulations, which applied for the purposes of the Scheme 2006 payment of the person who was the applicant in respect of the land in question, under the 2005 Regulations.

(3) Where an applicant received a Scheme 2005 payment, but did not receive a Scheme 2006 payment, the hectare multiplier for the purposes of the formulae at paragraph (1) is the multiplier contained in the second column of Schedule 2 to the 2004 Regulations, under regulation 11 of those Regulations, which applied for the purposes of the Scheme 2005 payment of the applicant.

(4) Where the hectare multiplier for the purposes of the Scheme 2006 payment of either—

- (a) the applicant under these Regulations; or
- (b) where paragraph (2) applies, the person who was the applicant in respect of the land in question under the 2005 Regulations,

was unrepresentative of the usual enterprise mix of the applicant, due to the culling of stock on the land in question in the context of the control of an outbreak of an epizootic disease during or prior to 2004, the applicant may request that Scottish Ministers make a decision determining the hectare multiplier contained in second column of Schedule 6 to the 2005 Regulations to be used for the purposes of the formula at paragraph (1).

Rate of Payment of less favoured area support

12.—(1) For the purposes of regulation 8, the rate of payment of less favoured area support is determined in accordance with this regulation.

(2) Where, for the purposes of regulation 9, the grazing category of land, as specified in Schedule 2, is A or B, the rate of payment is the rate per hectare of the payable area set out in the entry in the second column in Part I (More Disadvantaged Land) of Schedule 3 corresponding to the fragility category in the first column of that Part of that Schedule applicable to the applicant in terms of paragraph (4).

(3) Where, for the purposes of regulation 9, the grazing category of land, as specified in Schedule 2, is C or D, the rate of payment is the rate per hectare of the payable area set out in the entry in the second column in Part II (Less Disadvantaged Land) of Schedule 3 corresponding to the fragility category in the first column of that Part of that Schedule applicable to the applicant in terms of paragraph (4).

(4) For the purposes of paragraphs (2) and (3), the fragility category applicable to the applicant is determined according to the fragility category of the parish in which the main farm of the applicant lies as set out in Schedule 4.

(5) For the purpose of paragraph (4), the main farm of the applicant is the farm identified as the main farm in the application for less favoured area support submitted by the applicant in accordance with regulation 3.

- (c) in respect of a Scheme 2009 payment.

Powers of authorised persons

14.—(1) An authorised person may, at all reasonable hours and on producing if so required a duly authenticated document showing the authority of that person, exercise the powers specified in this regulation for the purposes of—

15. An applicant, any employee or agent of an applicant or any person having, or appearing to have, charge of animals on the land must give to an authorised person such assistance as the authorised person may reasonably request so as to enable that person to exercise any power conferred by regulation 14.

Withholding or recovery of less favoured area support

16. The Scottish Ministers may withhold or recover the whole or any part of any payment of less favoured area support payable or paid to an applicant in any of the following circumstances:—

- (b) where the applicant, or an employee or agent of the applicant intentionally obstructs an authorised person in exercise of the powers under regulation 14, or fails without reasonable excuse to comply with a requirement or request made by an authorised person under regulation 14 or 15;
- (c) where, in the opinion of the Scottish Ministers, the applicant has failed to act in accordance with cross compliance on or in relation to the holding;
- (d) where, in the opinion of the Scottish Ministers, the applicant has failed to comply with the requirement in regulation 5 to actively farm eligible land.

Rate of interest

(2) Where the affairs of a body corporate are managed by its members, paragraph (1) applies in relation to the acts or defaults of a member in connection with the member's management functions as if that member were a director of the body corporate.

SCHEDULE 5

Regulation 18

AGENCY ARRANGEMENTS AND CROSS BORDER HOLDINGS

Agency arrangements

1. The Scottish Ministers may, with the agreement of any competent authority, arrange for any of their functions under these Regulations in relation to any claim to be exercised on their behalf by that competent authority.

2. The Scottish Ministers may also agree to exercise functions on behalf of another competent authority corresponding to those which are exercisable by the Scottish Ministers under these Regulations.

3. Any such arrangement shall be in writing and be signed by or on behalf of the Scottish Ministers and the competent authority and any such arrangement may be subject to such conditions (including conditions as to the costs and charge for costs) as may be agreed from time to time.

Set off

4. Without prejudice to the amount of any sum payable by the Scottish Ministers to any other competent authority, the amount of any sum payable by the Scottish Ministers, whether as principal or agent, by way of a specified payment may be set off against the amount of any sum recoverable by the Scottish Ministers, whether as principal or agent.

Calculation of payments in respect of cross border holdings

5. Where any holding in respect of which a claim has been made is a cross border holding, the Scottish Ministers may pay, on such occasions as they consider fit, in respect of the Scheme Year in question to an applicant less favoured area support for carrying out eligible agricultural activity on eligible land, providing the applicant has declared the eligible land in a single application which has been treated as a valid application by the competent authority concerned.

6. Whether the eligible agricultural activity undertaken on the eligible land is an integral part of the management of the whole holding or independently managed, the Scottish Ministers will only pay less favoured area support in respect of the eligible agricultural activity actually undertaken on eligible land defined as a less favoured area for the purposes of this instrument.

7. For cross-border holdings where the applicant has submitted a declaration of eligible land to another competent authority, the Scottish Ministers will apply the standard rate of payment.

8. Applicants in respect of cross border holdings are required to supply such information as authorised persons may reasonably require to assess the eligible agricultural activity actually undertaken on eligible land defined as a less favoured area for the purposes of this instrument.

9. All conditions applying to applicants in respect of holdings lying wholly within the less favoured areas apply equally to applicants in respect of cross border holdings.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which replace the Less Favoured Area Support Scheme (Scotland) Regulations 2005 (“the 2005 Regulations”), make provision for the purposes of implementation of Council Regulation (EC) No. 1698/2005 on support for rural development from the European Agricultural Fund for Rural Development and Commission Regulations (EC) Nos. 1974/2006 and 1975/2006 laying down detailed rules for the application of Council Regulation No. 1698/2005. Regulation 1689/2005 will preserve, until 2010, elements of Regulation (EC) 1257/1999 which apply to Less Favoured Area Support.

They apply to holdings in respect of which the Scottish Ministers are the competent authority under the Common Agricultural Policy Single Payment and Support Schemes (Integrated Administration and Control System) Regulations 2005 (regulation 1(2)).

Applications for less favoured area support (“LFAS”) are to be made to the Scottish Ministers on a date which they shall determine each year. Failure to meet the deadline will result in reduction of the payment of support (regulation 3).

Eligibility for payment of LFAS is dependent upon the applicant meeting the criteria set out in regulation 4. It can only be paid to an applicant who actively farms eligible land (‘actively farms’ is defined in regulation 2(1) and ‘eligible land’ is defined in regulation 6). No payment will be made where the amount of eligible land is less than 3 hectares (regulation 5). There is provision at regulation 7 to determine to whom payment should be made where a holding is transferred during a Scheme Year.

LFAS is paid for eligible hectares on farms in Scottish less favoured areas at specified rates (regulations 8 and 12). The rate is fixed according to the grazing category (regulation 9 and Schedule 2) and the fragility of the parish in which the main farm of the applicant lies (regulation 12 and Schedule 4).

The area of land on which LFAS is paid is normally the area of eligible land which the applicant has, adjusted in accordance with a formula set out in regulation 9(1). The manner in which the area of eligible land is adjusted will depend on the grazing category of that land (regulation 9(2)). The grazing category is allocated according to the historical stocking density of the applicant’s land (regulation 9(3)).

In previous years a separate stocking density was calculated annually, and was based upon eligible land and eligible agricultural activity in the previous year. For the 2007 scheme and beyond, historic stocking density values, calculated in accordance with the 2005 Regulations, will be used. Where the applicant has a stocking density which is above the maximum stocking density or below the minimum stocking density, then the area of land on which LFAS is to be paid is instead calculated in accordance with formulae set out in regulation 10. The maximum and minimum stocking densities are laid out in regulation 2(1). There are alternative arrangements at regulations 10(4) and 10(5) for those who are actively farming eligible land but did not receive a payment under the 2005 Regulations. There is provision at regulation 10(6) to allow the Scottish Ministers to determine the stocking density where an applicant has not been able to achieve the minimum stocking density because of slaughter in consequence of foot and mouth disease.

Where more than 10% of the livestock maintained by the applicant under the 2005 Regulations was made up of cattle, the area of land on which LFAS will be paid to the applicant under the 2007 Scheme

will be increased in accordance with the adjustment set out in regulation 11 read with Schedule 6 of the 2005 Regulations.

Regulation 13 fixes a minimum payment of £385. Regulation 14 contains powers of enforcement. Regulation 16 provides for withholding or recovery of LFAS where there is a breach of the rules of the LFAS Scheme for the years 2007, 2008 and 2009. Regulations 19 to 22 deal with offences and penalties.

Regulations 23 and 24 deal with an applicant's right of appeal against decisions taken by the Scottish Ministers as regards eligibility of the holding. Regulation 25 makes amendments to the Agricultural Subsidies (Appeals) (Scotland) Regulations 2004 to provide for an applicant's right of appeal against decisions taken by the Scottish Ministers on other specified grounds.

Regulation 26 revokes the 2005 Regulations (and also those instruments which amended the 2005 Regulations) (regulation 26(1)). Regulation 26 also makes a saving provision to ensure that the 2005 Regulations continue to apply to Scheme 2005 payments and Scheme 2006 payments made under the 2005 Regulations (regulation 26(2)).

No Regulatory Impact Assessment has been prepared in respect of these Regulations.
