**2007 No. 549**

**The Infant Formula and Follow-on  
Formula (Scotland) Regulations 2007**

**Protein sources and other food ingredients suitable for infants aged over six months (follow on formula)**

7. Follow on formula shall be manufactured from—
  - (a) the protein sources specified in point 2 of Annex II; and
  - (b) other food ingredients the suitability of which for particular nutritional use by infants aged over 6 months has been established by generally accepted scientific data and demonstrated in accordance with regulation 6(2).
