2008 No. 182

**The Caledonian Maritime Assets Limited
(Largs) Harbour Revision Order 2008**

**PART VI
MISCELLANEOUS**

Power to enter into arrangements to provide supplies

52. The Company may make arrangements for the purpose of providing and supplying fuel, ice and such other requirements as may be made available to vessels using the harbour and in respect of the supply, laying down and maintaining of pipelines, storage tanks, freezing plants, equipment and other apparatus and the execution of ancillary and necessary works for that purpose within the harbour.
