 - (iii) carrying out archaeological and environmental investigations and assessments on and in the authorised land; and
- (b) obtaining passage over authorised land to enable the activities in sub paragraph (a) to be undertaken on and in other land.

(3) Entry to authorised land under paragraph (1) shall include the entry of such persons, vehicles, plant, materials and apparatus as may be required for the purposes falling within the determination.

(4) Entry to authorised land pursuant to this article is subject to—

- (a) the provisions of this Order;
- (b) the terms of the determination and any conditions or limitations in relation to it; and
- (c) the terms of any agreement between the Scottish Ministers and any person with an interest in the authorised land regarding the Scottish Ministers' entry to the authorised land.

(2) Where the Scottish Ministers propose to take entry to land under this Order they shall also publish in at least one newspaper circulating in the locality, or each of the localities, in which the relevant land to which the proposal relates is situated, a notice in (or as nearly as may be in) the form of Form 2 in the Schedule.

(3) The notice to be published for the purposes of paragraph (2) may be combined with the newspaper notice of any other proposal by the Scottish Ministers to enter other relevant land.

(4) If any person makes a request for further details as to the relevant land to which a proposal relates which is received by the Scottish Ministers on or before the expiry date for representations, the Scottish Ministers shall provide to that person, free of charge, further details sufficient to identify that relevant land.

(5) The Scottish Ministers may comply with their obligation under paragraph (4) by providing the person making the request with a plan showing the relevant land.

Representations

6.—(1) Any representations made in relation to a proposal by the Scottish Ministers to take entry to land shall only be representations for the purposes of this Order if—
