**PLANT HEALTH**

**The Plant Health (Scotland) Amendment (No. 2) Order 2008**

*Made* - - - - 29th October 2008  
*Laid before the Scottish*  
*Parliament* - - - - 30th October 2008  
*Coming into force* - - 21st November 2008

The Scottish Ministers make the following Order in exercise of the powers conferred by sections 2, 3 and 4(1) of the Plant Health Act 1967<sup>M1</sup>, as read with section 20 of the Agriculture (Miscellaneous Provisions) Act 1972<sup>M2</sup>, and section 2(2) of, and paragraph 1A of Schedule 2 to, the European Communities Act 1972<sup>M3</sup>, and all other powers enabling them to do so.

The Order makes provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Scottish Ministers that it is expedient for the references to Commission Directive 2008/61/EC<sup>M4</sup> to be construed as references to that instrument as amended from time to time.

- M7** This amendment corrects the effect of a typographical error in article 11 of the 2008 Order, which amended item 41 in Part A to Schedule 4 to the principal Order. Article 11 of the 2008 Order was intended to substitute “*Helicoverpa armigera* (Hübner)” for “*Heliothis armigera* Hubner” in column 3(a) of the principal Order. But, in article 11 of the 2008 Order, the reference was to “column 2” of item 41; the reference, and therefore the amendment, should have been to “column 3”.
- M8** This amendment corrects the effect of a typographical error in article 13 of the 2008 Order which amended item 23 in Part B to Schedule 4 to the principal Order. Article 13 of the 2008 Order was intended to substitute “*Helicoverpa armigera* (Hübner)” for “*Heliothis armigera* Hubner” in column 3(a) of the principal Order. But, in article 13 of the 2008 Order, the reference was to “column 2” of item 23; the reference, and therefore the amendment, should have been to “column 3”.

## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order amends the Plant Health (Scotland) Order 2005 (S.S.I. 2005/613) (“the principal Order”) to implement certain import restrictions on certain plant species, other than seeds, intended for planting, originating in any third country to prevent the introduction into Scotland of *Anoplophora chinensis* (Forster) (the citrus longhorn beetle).

In particular, this Order amends the principal Order so as—

to clarify the scientific name for citrus longhorn beetle as *Anoplophora chinensis* (Forster) (article 5);

to prohibit imports of certain plant species originating in any third country where *Anoplophora chinensis* (Forster) is known to occur unless certain conditions are met (article 6(1)(b)); and

to require such plant species originating in such third countries or in the European Community to have a plant passport before being moved within the Community (articles 6(2)(b) and 7).

It is an offence under the principal Order to contravene these requirements.

This Order also corrects the effect of minor typographical errors in the Plant Health (Scotland) Amendment Order 2008 (S.S.I. 2008/300) (“the amending Order”):

Article 4 of this Order amends article 41(7)(b) of the principal Order to make clear that references to Commission Directive [2008/61/EC](#) (O.J. No L 158, 18.6.2008) are to refer to that Directive as amended from time to time.

Articles 6(1)(a) and 6(2)(a) of this Order correct the effect of a typographical error in articles 11 and 13 of the amending Order.

A full impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.

**Status:**

Point in time view as at 21/11/2008.

**Changes to legislation:**

There are currently no known outstanding effects for the The Plant Health (Scotland) Amendment (No. 2) Order 2008 (revoked).
