The Horses (Zootechnical Standards)  
(Scotland) Regulations 2008

PART 3

Form and Content of Stud Book

**Cross breeding programmes**

**10.** Where a horse does not satisfy the criteria set out in regulation 7(1), a recognised organisation may enter that horse in the main section of its stud book for the purpose of it taking part in a cross-breeding programme which—

- (a) has been approved by that organisation in accordance with the rules of its stud book; and
- (b) specifies the breeds which are allowed to take part in that programme.
