The Products of Animal Origin (Disease Control) (Scotland) Amendment Order 2009

Amendment to the Products of Animals Origin (Disease Control) (Scotland) Order 2008

4. In article 4 (restricted animal, restricted poultry and restricted meat: definitions) for paragraph (9) substitute—

“(9) Subject to paragraph (10), “restricted meat” is meat—

- (a) produced on or after the date that the protection zone or surveillance zone was declared, or an earlier date where the Scottish Ministers specify such a date for the purpose of disease control; and
- (b) from a restricted animal or restricted poultry from an infected area, a protection zone or a surveillance zone,

and includes meat that has come into contact with such meat.

(10) Where restricted meat has been treated in accordance with Schedule 2 at a treatment centre it shall cease to be regarded as restricted meat.”.
