

SCHEDULE 2

LICENCES

PART 4

Variation of Licence

18. Subject to paragraph 19, the Agency may at the request or with the consent of the licensee vary any condition of the licence.

19.—(1) Subject to sub-paragraph (2), the Agency shall not agree a variation which permits any act or omission a proposal for which would, had it been made in the application for a licence, have caused the Agency to refuse to grant the licence under paragraph 2 of Part 1.

(2) For the purposes of sub-paragraph (1), the Agency, in considering whether to vary a licence, shall treat all scientific knowledge which it has at that time as if it had had it at the time it granted the licence.
