

## SCHEDULE 2

### TSE monitoring

## PART 1

### Monitoring for TSE

#### **Persons collecting and delivering**

**3.** A person with whom arrangements are made under paragraph 2(1)(a) for the delivery of a body to an approved sampling site must, unless directed otherwise by the Scottish Ministers, within 48 hours of the time when the body comes into that person's possession or control—

- (a) identify an approved sampling site that will carry out the sampling; and
- (b) ensure it is delivered to that site,

and failure to do so is an offence.
