

## SCHEDULE 4

### Control and eradication of TSE in sheep and goats

#### **Valuations**

**26.**—(1) If the owner of an animal or product considers the compensation in the preceding paragraph to be unreasonable a valuation must be carried out in accordance with the procedure laid down in regulation 11(3) to (8), with the owner paying any valuation fee arising.

(2) When carrying out a valuation under regulation 11(5), the valuer must value the animal or product at the price that might reasonably have been obtained for it at the time of valuation from a buyer in the open market as if the animal or product was not from a flock or herd affected by TSE.
