**2010 No. 218**

**The Climate Change (International Aviation  
and Shipping) (Scotland) Order 2010**

**Emissions from international aviation attributable to Scotland**

2. For the purposes of determining Scottish emissions of a greenhouse gas for—
  - (a) the year that is the baseline year for that gas; and
  - (b) every other year in the period starting on 1st January 2010 and ending on 31st December 2050,

emissions from international aviation of that gas are to be taken into account as calculated in accordance with Schedule 1.
