EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations substitute a new Schedule 1 to the Products of Animal Origin (Third Country Imports) (Scotland) Regulations 2007 (“the principal Regulations”) and correct a minor error in regulation 24 of those Regulations.

Schedule 1 (import conditions) to the principal Regulations as inserted by these Regulations is a rolling consolidation of that Schedule, listing both the legislation in that Schedule when the principal Regulations were made and relevant legislation that has come into force since then. The new Schedule provides updated references to the EU instruments that set out the requirements to be enforced under the Principal Regulations when the products of animal origin in question are imported from third (non-EU) countries.

The references to EU instruments contained within the new Schedule are to be construed as references to the text of those instruments as amended from time to time. ‘As amended’ versions of the EU instruments can be found on the Eur Lex website (<http://eur-lex.europa.eu/en/index.htm>).

No business regulatory impact assessment has been prepared for these Regulations as no impact upon business, charities or voluntary bodies is foreseen.
