**2010 No. 329**

**The Contaminants in Food (Scotland) Regulations 2010**

**Enforcement and competent authorities**

4.—(1) It is the duty of each food authority within its area to execute and enforce these Regulations, Commission Regulation 1881/2006 and Commission Regulation 124/2009.

(2) The competent authority for the purposes of—

- (a) Article 2(2) of Commission Regulation 1881/2006 (justification by food business operators of concentration or dilution factors), and
- (b) Article 1(1) of Commission Regulation 124/2009 (relating to the duty to investigate the reasons for the contamination),

is the authority having the duty to enforce under paragraph (1).
