EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (General Dental Services) (Scotland) Regulations 1996 (“the principal Regulations”), which make provisions as to the arrangements under which dentists provide general dental services under the National Health Service in Scotland. These Regulations provide for the removal of the provisions allowing a continuing care arrangement or a capitation arrangement to lapse.

Regulation 2(2) removes the cross reference to the provisions that provide for a lapse of a continuing care arrangement or capitation arrangement from regulation 16(3) of the principal Regulations.

Regulation 2(3) makes amendments to Schedule 1 to the principal Regulations—

- removing references in paragraphs 6 and 7 of that Schedule to continuing care arrangements and capitation arrangements lapsing, and substituting the provisions in paragraphs 8 and 9 for new provisions that do not provide for such arrangements lapsing; and
- revoking paragraph 10 which places duties on a dentist with regard to the lapsing of continuing care arrangements and capitation arrangements.
