**2010 No. 354**

**The Feed (Sampling and Analysis and Specified Undesirable Substances) (Scotland) Regulations 2010**

**PART 3**

**Amendment and modification of other legislation with regard to sampling and analysis**

**Section 76 of the Act**

**17.** Section 76 (inspector's power to enter premises and take samples) in so far as it applies in relation to feeding stuffs applies as if—

- (a) in subsection (1) “in accordance with Regulation 152/2009” were substituted for “in the prescribed manner”; and
- (b) for subsection (4) the following were substituted:—

“(4) Without prejudice to any other power or duty as to the taking of samples, an inspector may for the purposes of this Part of this Act take a sample of any material which has been sold for use as a feeding stuff or which he has reasonable cause to believe to be intended for sale as such.”.
