**2011 No. 184**

**The Healthcare Improvement Scotland  
(Inspections) Regulations 2011**

**Explanation of information**

6.—(1) If an authorised person considers it necessary or expedient for the purposes of an inspection, the authorised person may require an individual falling within the description in paragraph (2) to explain any information inspected, copied, removed or provided in the course of the inspection.

(2) An individual falls within the description in this paragraph if the authorised person considers that individual to be, or to have been—

- (a) responsible for compiling or holding the information or any part of it; or
- (b) making use of the information, or any part of it.
