**2011 No. 209**

The Water Environment (Controlled  
Activities) (Scotland) Regulations 2011

PART IV

Modification and termination of authorisations

**Consolidated authorisations**

**30.** If there is more than one authorisation applying to controlled activities which are carried on by the same responsible person or operator, SEPA may replace those authorisations with a consolidated authorisation subject to the same conditions as the authorisations being replaced.
