

SCHEDULE 6

Enforcement and other powers

PART 3

Issue of warrants

27. In a case where paragraph 25 applies, a justice of the peace or sheriff must not issue a warrant under this Schedule by virtue only of being satisfied that the exercise of a power in relation to any premises has been refused, or that a refusal is reasonably apprehended, unless that person is also satisfied that the notice required by paragraph 18 has been given and that the period of that notice has expired.
