The Ullapool Harbour Revision (Constitution) Order 2011

Borrowing powers

8. The Trustees may from time to time borrow, by any methods they see fit, such sums of money as they think necessary for the purposes of meeting their obligations in carrying out their functions; and where moneys are borrowed by the Trustees under this article, the Trustees may, if they see fit, borrow those moneys upon the security of some or all of their assets for the time being or of some or all of their revenues or of some or all of both their assets and their revenues.
