

SCHEDULE

- 1.—(1) The device must include a camera which is—
 - (a) securely mounted on a vehicle, a building, a post or other structure;
 - (b) mounted in such a position that vehicles in a bus lane or selected area of a bus lane can be surveyed by it;
 - (c) connected by secure data links to a recording system; and
 - (d) capable of producing, in one or more pictures, a legible image or images of the vehicle in relation to which a bus lane contravention was committed which show its registration mark and enough of its location to show the circumstances of the contravention.
- (2) For the purposes of paragraph 1(1)(d), “a bus lane contravention” means a contravention in terms of section 44(3) of the Transport (Scotland) Act 2001 in which a vehicle is involved.
