## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations make changes to certain figures relating to diligence against earnings in Part III of the Debtors (Scotland) Act 1987 (“the Act”).

Regulation 2(a) increases the figure in sections 53(2)(b) and 63(4)(b) of the Act, used to determine the sum to be deducted from earnings subject to a current maintenance arrestment or conjoined arrestment order, from £13.64 to £15.12.

Regulation 2(b) substitutes new Tables A, B and C for those in Schedule 2 to the Act which describe the deductions to be made from earnings subject to an earnings arrestment.

The previous figures last amended in 2009 by the Diligence against Earnings (Variation) (No. 2) (Scotland) Regulations 2009 were calculated on the basis of median earnings in the Office for National Statistics’ 2009 Annual Survey of Hours and Earnings. However, as inflation has surpassed wage increases these new figures account for inflation rather than income increases.

In accordance with sections 53(4) and (5), 63(7) and (8) and 69(1) and (2) of the Act, these Regulations do not apply to existing diligences until the Regulations are intimated to employers, unless employers choose to apply them. If they do not choose to do so the figures substituted by previous regulations will continue to apply until intimation takes place.

A regulatory impact assessment was prepared in respect of the Regulations, copies of which can be obtained from the Accountant in Bankruptcy, 1 Pennyburn Road, Kilwinning.
